## Wipro Recognized with 2015 Lean Partner Award by Citi

**East Brunswick, New Jersey, USA and Bangalore, India – May 30, 2016:** Wipro Limited (NYSE:WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has received the Citi Lean Partner award for 2015 from Citi, in recognition of its high levels of service and performance.

The Lean Partner Award recognizes a supplier that has supported Citi in the execution of its re-engineering objectives and supported its effort to drive client-centric process redesign throughout the company – improving the way Citi operates.

The award also recognizes the supplier who has most embodied the spirit of Lean, a continuous improvement program with tangible and measurable benefits as it relates to purpose (rapid and consistent turnaround time for services delivered), quality, efficiency, controls and overall customer experience.

On receiving the award from Citi, **Rishad Premji, Chief Strategy Officer and Member of the Board, Wipro Limited** said, "We have enjoyed a long-standing and fruitful relationship with Citi and are delighted to be recognized with this award. This award is a testimony to our alignment with Citi's objectives."

**Forward-looking and Cautionary Statements**

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
