With the consent of the Members, the notice convening the Meeting, Directors' report and Financial statement were taken as read.

VII. CHAIRMAN'S SPEECH

The Chairman stated that the members must have been pleased with the continued exceptional performance of the company both in the pharma as well as capital market. He further stated that the Q1 results for FY 2014-15 approved today by the Board of Directors confirmed the sustainable growth model of Company's business.

He complimented the entire management team at Ajanta Pharma for their continued and consistent brilliant performance.

The Chairman thereafter requested the Managing Director to give the detailed presentation to the share holders on the business operations of the Company and also authorized him to conduct further proceedings of the meeting.

VIII. PRESENTATION BY THE MANAGING DIRECTOR

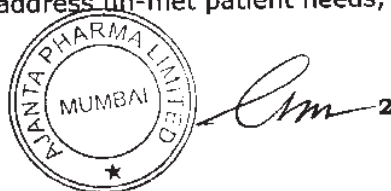

Managing Director was pleased to welcome the shareholders at the 35th Annual General Meeting.

He stated that in the Board Meeting held in the morning, the Board approved results for the first quarter of FY 2014-2015, wherein the company continued its growth, both in revenue and profit. With revenue of Rs. 287crores and Net Profit of Rs. 59 crores, company had posted a healthy growth of 32% in revenue and 80% in profits.

He further stated that the Annual Report for FY'14 had highlighted the differentiated strategy called 'Lateral by Design', which had helped the company to post consistent increase in revenues and profits for the past 5 years and outperform sectoral average growth consistently.

He further stated that Ajantaties believed that being 'lateral' was being innovative and creative. Over the years, company had just followed the said philosophy by building its own business strategies rather than following the conventional way.

He further informed that as a part of the strategy, company had maintained its focus on manufacturing and marketing branded generic formulations, providing customised solutions to address un-met patient needs, developing deeper insights into market

realities and preferences and investing significantly in Research and Development for providing patient convenience and compliance. Yet again, the strategy had helped to perform in-line with company's expectations.

He then summed up the review of FY'13-14 as under:

He apprised the members that in India, during financial year 2013-14, company had launched 24 new products out of which 9 were first-to-market. Ajanta's overall ranking stood at 39 as per IMS MAT Mar'14, with business growth of 36% for the year against 10% of industry. Company's rankings in Cardiology and Dermatology had improved as compared to last year while it had succeeded in maintaining its rank in Ophthalmology segment. Company was rapidly building its presence in pain management segment wherein it already had more than 31 brands, out of which 4 were leaders among their segment and 27 were first-of-their-kind launches.

As regards overseas markets, the Company continued to improve its ranking in different emerging markets where its brands were gaining further ground. Company has a basket of around 1,400 brand registrations for these markets and another 1,400 brands were under registration to ensure continued growth. The success in these markets had been primarily due to company's lateral strategy of offering customised product portfolio catering to the needs of specific markets and the field efforts taken by its front-end sales and marketing teams. Managing Director was pleased to state that within a short period of three and a half years, company was among the fastest growing company in Philippines. Company had also improved its rankings in Franco Africa, which validated strategy to focus on specific markets.

Quoting statement of US President Mr. Obama 'If you are walking down the right path and are willing to keep walking; eventually you'll progress', he stated that for establishing its presence in world's largest pharma market - USA, company was walking consistently to progress and had become a meaningful player in the said market. For this, it was concentrating on difficult-to-manufacture products to carve-out a higher market share. As on today, company had 23 ANDAs at various stages of approval with USFDA. The Board estimated that in next three years, 10-12 products could be approved by the FDA, which would result in a significant US contribution to volumes and profitability.

He stated that company's R&D strategy was pivoted around consistent investments to generate a long-term competitive advantage. Company had stepped-up the R&D expense for FY'14 to Rs. 50 Cr. or 4.50% of revenue from Rs. 37 Cr. or 4.41% of revenue for FY'13. More than 350 research professionals were engaged in developing niche, complex and difficult to make products that provided an edge in the highly competitive market space. Company was also planning to expand its R&D infrastructure by doubling the capacity with an investment of about Rs. 80 Cr. over next 2 years.

He briefed the shareholders about two new manufacturing facilities that were coming-up within next 2 financial years. The work on Dahej facility was going on in full swing and was expected to commence operations from Q1 FY'16. With latest

Am

state-of-the-art technology and processes, company hoped that it would sustain its growth in coming years without any capacity constraints. He further stated that the other facility was slightly delayed due to certain unavoidable reasons and was expected to be complete by Q3 FY'16. However, the same would not have any impact on its operations.

He also credited the team members of Ajantites for achieving consistent growth due to the hard work. With an invigorating work environment fostering team spirit and respect for each other along with knowledge accretion, company epitomised a blend of experience and energy. During the last financial year, company had implemented a number of morale-building initiatives, which cemented a stronger recall of Ajanta as an employee-caring organisation.

He stated that all the above efforts, coupled with company's confidence and shareholders' support, resulted into a healthier performance in the last financial year. The consolidated revenue of Rs. 1,208 Crores and profit after tax of Rs. 234 Crores helped in further raising the bar for the current year. Sales CAGR (Cumulative Average Growth Rate) of last 5 years had been 31% and was testimony of us meeting company's objective.

He mentioned that at Ajanta, we believe that inclusive growth was not a destination but a journey facilitated by progressive engagement of all stakeholders in the development of a sustainable, secular, pluralistic society committed to growth. As a means to this end, the Company was extending its Pharmaceutical expertise to CSR activities.

In FY'13-14, its CSR team successfully organized more than 500 diagnostic camps in Maharashtra. 65,000 patients took the benefit of these camps and more than 24,000 free cataract surgeries had been performed during the year. Along with it, company also conducted some other activities in order to improve the quality of life of the weaker sections in the society by making available necessities, which were not easily accessible or available to them. Programs like providing subsidized food and building waiting shades in government hospitals were continued during the year.

Quoting, Ralph Waldo Emerson's statement 'Do not go where the path may lead, go instead where there is no path and leave a trail', he mentioned that over the years company had created its own path to achieve the goals and objectives. The lateral way which the company had adopted had elevated to the position where it stands today and was confident that continuous exercise of building its own path would enable to maintain the pace of growth achieved during past 10 years.

Before concluding, he briefly introduced Mr. Prabhakar Dalal and Dr. Anjana Grewal, who had been appointed as additional directors on Ajanta's board with effect from 13th June 2014.

He informed that Mr. Dalal was an experienced banker with extensive international exposure. He had recently retired from Exim Bank as Executive Director after serving the bank for 31 long years. Mr. Dalal's core competencies included corporate finance,

international trade and projects finance, human resources management and institutional and international relations.

Dr. Anjana Grewal was an experienced corporate professional with over three decades of experience in the fields of sales, marketing, financial services and insurance. She had worked with leading Indian and Multinational Corporates in Pharma, FMCG, Banking and Insurance sectors. She was also an academician and visiting faculty at leading management institutes in India and overseas and was a guest faculty and Trainer at RBI and IBA. Currently she was Senior Professor and Centre of Excellence Faculty Director- India Campus of SDA Bocconi - Italy.

Company was happy and honoured to have them on the Board of the Company and was confident that they would add immense value to the company.

Managing Director thanked all the shareholders for their valuable presence and felt privileged to be among them.

He then stated that pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Clause 35B of the Listing Agreement, company had provided e-voting facility in respect of business to be transacted at the Annual General Meeting, to the members of the company as on the record date 20th June, 2014. E-voting commenced at 9.00 a.m. on 30th July, 2014 and ended at 6.00 p.m. on 1st August, 2014. Mr. Sanjay Dholakia, Practicing Company Secretary was appointed as Scrutinizer by the Board for scrutinizing the e-voting process and he had submitted his report to the Chairman.

In order to provide similar voting rights to the members who had not opted for e-voting and were present in person or through proxies at the Annual General Meeting, the company had arranged for poll on all the resolutions of ordinary and special businesses as set out in items 1 to 14 of the Notice of the 35th Annual General Meeting.

He informed that after taking up the comments of shareholders, poll would be taken.

He then put the first resolution for vote and requested the Company Secretary to invite the comments from the shareholders.

The Company Secretary then invited queries and comments from the shareholders on the Annual report for 2013-14.

The shareholders applauded the excellent performance of the Company. The presentation given by the Hon'ble Managing Director was also very much appreciated. Various queries raised by the Shareholders with regard to growth percentage for current year, impact on company profitability due to new drug policy, capex plan, API strategy, plans for launching new products during FY2014-15, USA operations etc were replied to the satisfaction of the shareholders by the Managing Director.
