## **Tata Power's Maithon Power Ltd. honoured with NSC Safety Award 2015 in power generation**

**Mumbai, New Delhi, Ranchi & Dhanbad, January 11th, 2016:** Tata power, India's largest integrated power company, has an exemplary track record of project execution excellence, customer care and world class safety procedures. In recognition of this commitment, Maithon Power Ltd., a joint venture between Tata Power's Maithon Power Limited (MPL), the company's 74:26 joint venture with Damodar Valley Corporation (DVC), was awarded the National Safety Council '**Prashansa Patra Award**' in manufacturing sector (power generation) for 2015.

The National Safety Council Award recognises industrial undertakings for their consistent and meritorious Occupational Safety and Health (OSH) Performance and implementing effective OSH management systems, practices and procedures and to encourage their continual commitment to OSH. MPL was honoured with the Prashansa Patra Award for implementing and following the best safety practices at the plant.

Commenting on the achievement, **Mr. K Chandrashekhar, CEO & ED - Maithon Power Ltd, Tata Power** said *"It is an absolute honour to have been conferred with the Prashansa Patra National Safety Council Award. Safety remains a core value at Tata Power and we have always strived hard to achieve the highest standards of safety in every aspect of our operation."*

Tata Power's MPL conducts various safety training programmes on a regular basis to ensure that the employees are thoroughly trained on the stipulated safety measures set by the company. The company regularly reinstates the importance of safety procedures and maintain world-class safety standards at their project sites.

**About Tata Power:**

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of [8699] MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR") and a geothermal project; in Singapore through Trust Energy Resources to securitise coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cenergi' to develop projects in South Africa, Botswana and Namibia; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come.
