Explanatory Statement
Pursuant to Section 102 of the Companies Act, 2013

Item No. 1 & 2

The Company's Employee Stock Option Scheme 2005 (ESOP Scheme 2005 or the Scheme), as approved by the members in their meeting held on September 06, 2005, is presently being implemented through Bharti Airtel Employees' Welfare Trust (the ESOP Trust) by way of equity shares acquired by the ESOP Trust through secondary market. To implement the Scheme, the ESOP Trust acquires shares from secondary market and transfers the shares so acquired to the employee(s) upon valid exercise of stock options. Due to restrictions imposed by SEBI vide Circular No. CIR/CFD/DIL/3/2013 dated January 17, 2013, generally restricted all the ESOP Trusts from acquiring further shares from the secondary market for the purpose of implementation of ESOP Schemes.

On October 28, 2014, SEBI promulgated the SEBI (Share Based Employee Benefits) Regulations, 2014 (the ESOP Regulations). Under the ESOP Regulations, companies are now explicitly permitted to acquire its own shares from secondary market through a trust for the purpose of implementation of its ESOP schemes. Such acquisition of shares is subject to compliance of conditions of the ESOP Regulations and approval of the members by way of special resolution.

The Company proposes to continue implementation of the ESOP Scheme 2005 through the ESOP Trust by way of secondary acquisition. The Company believes that the implementation of ESOP Scheme through secondary acquisition is in the best interests of the Company and its shareholders and will enable the Company to retain quality talent, also it will not cause any loss to the existing shareholders from dilution in their shareholding besides being easier and efficient in implementation and therefore less cumbersome.

There is no other change in the ESOP Scheme 2005 or in the terms and conditions of stock options granted under the existing ESOP Scheme 2005.

As on October 30, 2014, the ESOP Trust holds 678,109 equity shares against 11,577,268 unexercised live stock options (both vested and unvested) under the ESOP Scheme 2005. The Company will require an additional 10,899,159 equity shares for the purpose of implementation of the ESOP Scheme 2005. These additional shares are proposed to be acquired through the ESOP Trust from the secondary market. To acquire the above referred equity shares from the secondary market, the Company will be required to make provision of money to the ESOP Trust of an amount equivalent to the market value of the shares and incidental costs subject to the overall limits prescribed under Rule 16 of the Companies (Share Capital and Debentures) Rules, 2014.

Under the provisions of the Companies Act, 2013 and the ESOP Regulations, approval of the members by way of special resolution is required for acquisition by a company of its own shares from the secondary market and for making any provision of money towards acquisition of such shares.

Relevant disclosures under Rule 16 of the Companies (Share Capital and Debentures) Rules, 2014 are as follows:

1. The class of employees for whose benefit the scheme is being implemented and money is being provided for purchase of or subscription to shares.
