Disclaimer

This presentation has been prepared by Blue Dart Express Ltd. (Blue Dart or the "Company") solely for your information and for your use and may not be taken away, distributed, reproduced, or redistributed or passed on, directly or indirectly, to any other person (whether within or outside your organization or firm) or published in whole or in part, for any purpose by recipients directly or indirectly to any other person. By accessing this presentation, you are agreeing to be bound by the trailing restrictions and to maintain absolute confidentiality regarding the information disclosed in these materials. The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any persons of such change or changes. This presentation and its contents are confidential and may not be copied, published, reproduced or disseminated in any manner.

This presentation may contain certain forward looking statements within the meaning of applicable securities law and regulations. These statements include descriptions regarding the intent, belief or current expectations of the Company or its directors and officers with respect to the results of operations and financial condition of the Company. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in such forward-looking statements as a result of various factors and assumptions which the Company believes to be reasonable in light of its operating experience in recent years. Many factors could cause the actual results, performances, or achievements of the Company to be materially different from any future results, performances, or achievements. Significant factors that could make a difference to the Company's operations include domestic and international economic conditions, changes in government regulations, tax regime and other statutes. The Company does not undertake to revise any forward-looking statement that may be made from time to time by or on behalf of the Company.

This presentation contains certain supplemental measures of performance and liquidity that are not required by or presented in accordance with Indian GAAP, and should not be considered an alternative to profit, operating revenue or any other performance measures derived in accordance with Indian GAAP or an alternative to cash flow from operations as a measure of our liquidity.

In no event shall Blue Dart Express Ltd., or its directors or management, be responsible to any person or entity for any loss or damage, whether direct, indirect, incidental, consequential or otherwise, arising out of access or use or dissemination of information contained in this presentation, including, but not limited to, loss of profits.

No representation, warranty, guarantee or undertaking (express or implied) is made as to, and no reliance should be placed on, the accuracy, completeness or correctness of any information, including any projections, estimates, targets and opinions, contained herein, and no liability whatsoever is accepted as to any errors, omissions or misstatements contained herein and, accordingly, none of the Company, its advisors and representative and any of its or their affiliates, officers, directors, employees or agents, and anyone acting on behalf of such persons accepts any responsibility or liability (in negligence or otherwise) whatsoever arising directly or indirectly from this presentation or its contents or otherwise arising in connection therewith.

Readers must make their own assessment of the relevance, accuracy and adequacy of the information contained in this presentation and must make such independent investigation as they may consider necessary or appropriate for such purpose. Any opinions expressed in this presentation are subject to change without notice and past performance is not indicative of future results. By attending this presentation you acknowledge that you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the Company's business.

This presentation is not for publication or distribution or release in any country where such distribution may lead to a breach of any law or regulatory requirement. The information contained herein does not constitute or form part of an offer or solicitation of an offer to purchase or subscribe for securities for sale. The distribution of this presentation in certain jurisdictions may be restricted by law and persons into whose possession this presentation comes should inform themselves about and observe any such restrictions. None of the Company's securities may be offered or sold in the United States without registration under the U.S. Securities Act of 1933, as amended, except pursuant to an exemption from registration therefrom.

This disclaimer clause and any claims arising out of the use of the information from this presentation shall be governed by the laws of India and only the courts in Mumbai, and no other courts, shall have jurisdiction over the same. By accessing this presentation, the reader accepts this.

Note: Operational figures as of year end and do not include DHL Express figures.

Note: Consequent to the change of Accounting year from 31st December to 31st March, the figures of 2012-13 are not comparable to those of the previous years/current year as the figures of 2012-13 are for fifteen months from January 1, 2012 to March 31, 2013.

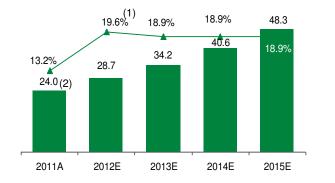

Significant Industry Opportunity

Blue Dart is set to capitalize on the rapidly growing air and road express markets in India

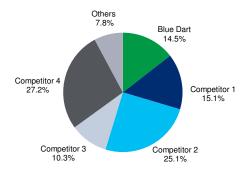

Organized Ground Express Sector Size (INR bn) and YoY Growth Rate (%)

Source: (1) Growth Rates – 2012 onwards : AT Kearney TMS 2010 (2) Internal Estimates

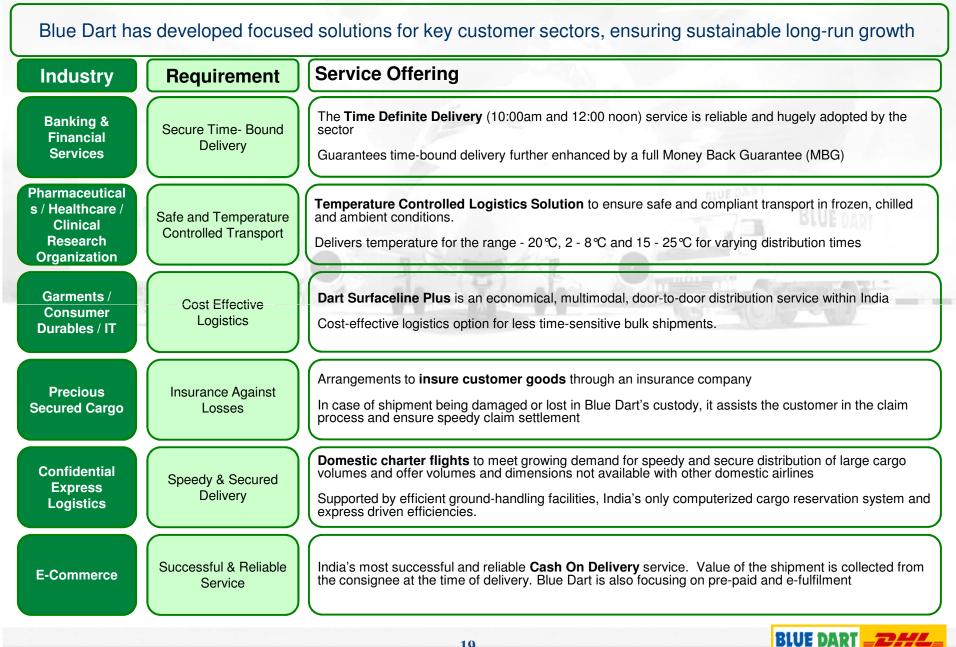

(3) Internal Estimates; to be validated by TMS, and not related to (1) above

- (%) Organized Ground Express Market Share (%) (2013)
 Blue Dart's market share before refortification of Dart Surfaceline was 5.9% in 2006
- Strong industrial and services growth will have a direct effect on Road Express growth
- Growth driven by strong outlook for industries like Motor Vehicles and Parts, Electrical Appliances, and Health Services
- Outsourcing of operations by Retail companies to express providers is expected to provide a strong pipeline
- Improvement in road infrastructure, setting up of logistic parks, and implementation of GST expected to cut down transit times, reduce in-transit inventory, increase other efficiencies, and thus encourage demand for Road Express 18

Corporate Business Strategy

Maintain and Grow Market Leadership

Medium Term Initiatives

- Increase quarterly / annual market shares in both Air and Ground delivery segments
- Enhance and strengthen presence in sectors like ecommerce, pharmaceuticals, auto, consumer, BFSI and IT
 – Continuously improve performance with every product & solution we offer
- Increase coverage and footprint in tier II and III towns
 Delivering a clearly defined and consistent product & solution portfolio
- Focus on small and medium enterprises
 Be recognized as a trusted partner, truly understanding the customer's current and future needs
- Increase automation levels across processes
 Increase the adaptability of our product & solution portfolio
 Simplify and standardize processes to deliver excellence
- Enhance skill development
 Develop comprehensive people empowerment and engagement module critical for growth
- Continue to drive process efficiencies and implement quality measures like OCPM⁽¹⁾, OCPK⁽²⁾ & DSO⁽³⁾ to improve profitability (EBIT margins)
- Reduce CO₂ emission, engage in education, humanitarian and disaster response
- Focus on e-tailing segment

 Strengthen the e-tailing segment including e-fulfilment

Long Term Strategies

- Achieve and maintain leadership status and pole position in both Air and Ground express segments
- Continuously improve quality of operations for enhancing customer satisfaction
- Pursue product and service innovation
- **☑** Create state-of-the-art infrastructure
- Stay ahead of the curve by continuously investing in, and adopting, next generation technologies
- Aggressively invest in human capital development
- Maintain debt-free status and deliver profitable growth
- Continue to be the industry leader in delivering the triple bottom line and increase CO₂ efficiency by 30% in 2020

Key Challenges and Mitigants

Dependence on Macroeconomic and Business Environment

Develop alternate and innovative customer-centric solutions to counter any dampening in the economic sentiment

Exposure to fluctuations in Crude Oil, Diesel and Currency

☑ Fuel Surcharge based pricing mechanism to counter rise in crude prices

earrow Fuel Surcharge based pricing mechanism to counter rise in diesel prices

Have introduced CAF (Currency Adjustment Factor) to counter fluctuations in currency

Entry of New Organized Players as Industry Matures

Significant barriers to entry due to infrastructure bottlenecks like limitations of airside space, time slots, licensing and others

Availability of Skilled Front-Line Manpower

☑ Tie-up with multiple manpower recruitment agencies

Changes in Regulatory Environment: Postal Bill, Carriage by Road Act, 2007, Karnataka Stamp Duty Act and Kerala VAT Regulations

 \blacksquare Closely monitor the developments and adapt as necessary
