09.12.2014

Dear Sir/Madam,

Information pursuant to Clause 36 of the Listing Agreement – update on the strike at Bangalore Plant by Union and Workmen.

Further, to our letters dated 16.09.2014, 13.10.2014 and 30.10.2014 on the above subject, we would like to inform you that the illegal strike by the Union and Workmen of Bangalore Plant has been called off with effect from 09.12.2014 pursuant to the conclusion of wage settlement for the period 2013-2016 between the Company and the Workmen Union. The Company's policy of fair but firm approach prevailed with the Union and the significant aspects of the settlement are as under:

- Acceptance and ratification by the Union of the final wage offer made by the Company in Oct' 14.
- Introduction of International Industrial Engineering (IE) standards for improving productivity
- Settlement objectives fully achieved while also meeting customer requirement.

Plant operations resumed from today i.e., 09.12.2014 beginning with the first shift of production. The estimated drop in sales on account of the strike is approximately 1 % during the strike period.

Kindly bring this to the notice of the members of the Stock Exchanges.

Thanking you,

Yours faithfully,
for Bosch Limited,

(S. Karthik)
Vice President
