LIMITED REVIEW REPORT (IN RESPECT OF STATE BANK OF BIKANER & JAIPUR) FOR THE QUARTER/NINE MONTHS ENDED 31st DECEMBER 2016

To, STATE BANK OF INDIA,

- 1) We have reviewed the accompanying statements of unaudited financial results of **State Bank of Bikaner and Jaipur** for the quarter/ nine months ended on December 31, 2016. These statements are the responsibility of the Bank's Management and have been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
- We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- The financial results incorporate the relevant returns of 20 branches reviewed by us, and un-reviewed returns in respect of 1246 branches. The bank has no foreign branches. In the conduct of our review, we have taken note of the review reports in respect of non-performing assets submitted by in-house inspection teams of the Bank of 50 branches specifically appointed for this purpose. These review reports covers 51.91% of the advances portfolio and 85.13% of Non-Performing Assets (NPAs) of the Bank. Apart from these review reports, in the conduct of our review, we have also relied upon various returns received from the branches of the Bank. Further as mentioned in Note No. 7(g) to the unaudited financial results, the bank had changed its policy of classifying common loan and advances within SBI group, we have relied upon the advice of SBI for identification of eligible common accounts.
- 4) Based on our review conducted as above, subject to limitations in scope as mentioned in Para 3 above and Note No. 5 & 9 to the unaudited financial results, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

Emphasis of Matter

We draw attention to Note No. 7(g) to the unaudited financial results, wherein as a premerger exercise, the bank had amended its policy for classifying common loans and advances within SBI Group as per lowest IRAC status of the accounts within the Group, which has resulted in increase of Gross NPA's, incremental provisions, Interest reversal etc as mentioned in the said note.

Our report is not modified/qualified in respect of the above matter.
