Dear Sir,

LIMITED REVIEW REPORT ON THE ACCOUNTS OF COAL INDIA LIMITED (CONSOLIDATED) FOR THE QUARTER & HALF YEAR ENDED 30TH SEPTEMBER, 2014

1. We have reviewed the accompanying statement of Unaudited Consolidated Financial Results of Coal India Limited Group comprising Coal India Limited (hereinafter referred as "the company"), its nine subsidiaries and two joint ventures for the quarter and half year ended September 30, 2014, prepared by the company pursuant to clause 41 of the Listing Agreement with stock exchange in India, *except* for the disclosures regarding "Public Shareholding" and "Promoter and Promoter Group Shareholding" which have been traced from disclosures made by the management and have not been reviewed by us. This statement is the responsibility of the Company's management and has been approved by the Board of Directors in its meeting held on November 08, 2014. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim consolidated financial statement is limited primarily to inquiries of Company personnel responsible for financial and accounting matters and analytical procedures applied to financial data. It is substantially less in scope than an Audit conducted in accordance with the generally accepted auditing standards, the objective of which is expressing an opinion regarding the financial statements as a whole. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We did not review the financial results of the nine subsidiaries, whose financial statements reflect the Group's share of total assets of Rs.99,464.22 Crores as at September 30, 2014, and the Group's share of total revenue of Rs.33,499.79 Crores for the half year ended on that date as considered in the consolidated financial statements. These financial statements have been reviewed by other auditors whose reports have been furnished to us and our opinion, in so far as it relates to the amounts included in respect of such subsidiaries, is based solely on the reports of the other auditors.
4. Without qualifying our opinion we draw attention to :-
 - a) Note No.2 where, the Financial results of the foreign subsidiary i.e. Coal India Africana Limitada have been prepared as per General Accounting Plan for small entities in Mozambique (PGC-PE) and reviewed by other auditor of Mozambique which have been considered for consolidation. No adjustment have been made for the differences between such financial results prepared as per General Accounting Plan for small entities in Mozambique (PGC-PE) and Indian Generally Accepted Accounting Principles (GAAP) being insignificant as per the management and which have been relied upon by us.

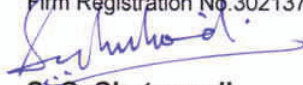

Cont'd....2

(2)

- b) Note No.3 where, the accounts of two joint ventures viz. CIL-NTPC Urja Private Limited and International Coal Ventures Private Limited (ICVL) have been considered for consolidation as certified by the Company's management and not reviewed by us. The accounts of CIL-NTPC Urja Private Limited are drawn up to September 30, 2014 whereas in case of ICVL, last available accounts upto 31st March, 2014 have been considered for consolidation the impact of which being insignificant as per the management and have been relied upon by us.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited Consolidated Financial results prepared in accordance with applicable accounting standards notified under the Companies Act,1956 read with the general circular 15/2003 dated September 13,2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act,2013 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Dear Sir,

LIMITED REVIEW REPORT ON THE ACCOUNTS OF COAL INDIA LIMITED (STANDALONE) FOR THE QUARTER & HALF YEAR ENDED 30TH SEPTEMBER, 2014

1. We have reviewed the accompanying statement of Unaudited Financial Results of **Coal India Limited** (hereinafter referred as "the company") for the quarter and half year ended September 30, 2014, prepared by the company pursuant to clause 41 of the Listing Agreement with stock exchange in India, except for the disclosures regarding "Public Shareholding" and "Promoter and Promoter Group Shareholding" which have been traced from disclosures made by the management and have not been reviewed by us. This statement is the responsibility of the Company's management and has been approved by the Board of Directors in its meeting held on November 08, 2014. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial statement is limited primarily to inquiries of Company personnel responsible for financial and accounting matters and analytical procedures applied to financial data. It is substantially less in scope than an Audit conducted in accordance with the generally accepted auditing standards, the objective of which is expressing an opinion regarding the financial statements as a whole. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Without qualifying our opinion, we draw attention to the followings:-
 - a) Investments in and loans and advances (Short term / Long term, Current Account debit balances) to Eastern Coalfields Limited (ECL) one of the subsidiaries of the company which is under the Board of Industrial & Financial Reconstruction (BIFR) are shown at book values. Revival plans have been approved by BIFR and vetted by the concerned Ministry. On implementation of revival schemes, the subsidiary is turning around. In view of the changing circumstances, the management is of the opinion that no writing down or provisioning is required.
 - b) Fixed assets in Dankuni Coal Complex leased to South Eastern Coalfields Limited (SECL) for lease rent of Rs. 1/- per annum are shown in Balance Sheet at written-down value or book value. In the opinion of the management the nominal income earning is a temporary policy matter and actual worth of the assets including land is much higher than the book value and as such no provision is called for.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited Standalone Financial results prepared in accordance with applicable accounting standards notified under the Companies Act, 1956 read with the general circular 15/2003 dated September 13, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
