**Review Report to
Board of Directors of
V2 Retail Limited.**

1. We have reviewed the accompanying statement of unaudited financial results of **V2 Retail Limited (the Company)** for the quarter and nine month ended December 31, 2015 (the "Statement"). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, we draw attention to:
 - a) As stated in these quarterly financial results, included in capital reserve amounting to Rs.60,523.24/- lacs, is Rs. 42,942/- lacs arising out of transfer of asset and liabilities to the acquiring companies in earlier years for which necessary reconciliation/ information to the tune of Rs 372.24/- lacs is not available with the company. Accordingly in the absence of the same, we are unable to comment on the appropriateness of capital reserve including consequential impact, if any, arising out of the same on these quarterly financial results.
 - b) As stated in these quarterly financial results, the Company has outstanding short-term borrowings at the quarter-end due to a lender including overdue principal and interest for which necessary supporting documents for balance confirmation at the quarter end and relevant information with relation to rate of interest is not available with the Company. In the absence of the same, we are unable to comment on the same.
 - c) As stated in these quarterly results, the Company has recognized Rs. 25,430/- lacs as deferred tax assets at the quarter-end for which it does not have virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized in accordance with principles of Accounting Standard 22 "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India . Had the company not recognized deferred tax, impact on profit and loss account would have been decrease in profit during the quarter by Rs. 25,430/- lacs and decrease in accumulated balances of Reserves and Surplus by Rs. 25,430/- lacs.
 - d) As stated in these quarterly financial results, the Company has disclosed contingent liabilities on account of appeals with various statutory authorities at different levels amounting to Rs. 4,796.34/- lacs, of which necessary information is not available with the Company to reliably ascertain estimated amount of such liabilities and consequential impact thereof on these quarterly financial results in accordance with Accounting Standard-29, "Provisions, Contingent Liabilities and contingent assets" issued by the Institute of Chartered Accountants of India. Hence, we are unable to comment on the same.

Accordingly, we are unable to express an opinion at this stage in respect of these matters reported in paragraphs (a) to (d) above and their consequential effects, if any on the unaudited quarterly financial results. The matters reported

in paragraphs (a) to (d) above were the subject matter of qualification by us in the year ended March 31st 2015 and in the quarter ended 30th June 2015 and quarter ended 30th September 2015 as well.

4. Without qualifying our opinion, we report that,

a) The Company has accumulated losses amounting to Rs. 51,223.24/-lacs as at 31st December 2015, which raises concern regarding going concern status of the Company. However, during the year ended 31st March 2015, during the quarter ended 30th June 2015, quarter ended 30th September 2015 and quarter ended 31st December 2015 the company has earned net profit of Rs. 975.13/- lacs, Rs. 477.12 Lacs, Rs. 20.76 lacs and Rs. 967.24/- Lacs respectively ,and, having regard to improvement in the business conditions, increase in revenue from operations, cost rationalization measures adopted and opening of new stores by the Company, these quarterly financial results have been prepared on a going concern basis and that no adjustments are required to the carrying value of assets and liabilities.

5. Based on our review conducted as above, subject to our observations in paragraph 3 and 4 above, the consequential effect of which on relevant assets, liabilities and profit for the quarter is not quantifiable, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

The Company restructured its business in F.Y 2010-11 resulting a Capital Reserve of Rs. 60,523 Lacs. The amount of Capital Reserve has been reconciled except Rs. 372.24 Lacs for which the company is in process to reconcile and there is no impact on Profit & Loss account.

The interest expense has been recognised in the Books of Account on the basis of the figure provided by the concerned lender in May 2012, in relation to balances as on 31st March 2012. The matter in respect of rate of interest is pending with DRT-II, Kolkata. Impact on Profit & Loss account cannot be quantified till the matter is disposed off by DRT-II, Kolkata.
