Dear Sir,

It brings us great pleasure to share that Jetking has been crowned as the “**Most Promising Hardware & Networking Institute in India**” at the **Asia Education Summit 2016**. This award has come on the heels of the prestigious **ASSOCHAM** Best Vocational Training Institute with Job Placements received at the National Education Summit. It is testimony to our continued focus on quality training and placements.

We request you to kindly take a note of the same and update your records.
