To, The Board of Directors **Prime Securities Limited**

We have reviewed the accompanying statement of standalone unaudited financial results of Prime Securities Limited for the quarter ended 30th September 2015 except for the disclosures in Part II of the statement regarding 'Public Shareholding', 'Promoter and Promoter Group Shareholding' & 'Investor Complaint' which have been traced from disclosures made by the Company's management. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Attention is invited to the following:

- (a) The Company's financial statements are prepared on going concern basis, notwithstanding doubts as regards the Company's ability to meet its financial obligations as and when they fall due. The appropriateness of the said basis is interalia dependent on the Company's ability to generate cash from revenue streams and disposing-off investments to meet its liabilities in normal course of business. Relying on the management's representation on the above, no adjustments have been made to the carrying value of the assets and liabilities in the accompanying financial statements.
- (b) The Company has substantial financial exposure in its subsidiary Primesec Investments Limited whose net worth has been eroded; but having regard to the proposed capitalization of share application monies advanced by the Company; no provision/adjustment is made to the carrying amount of financial exposure in the subsidiary.
- (c) The Company has not provided for interest of Rs. 224.60 Lacs for the quarter on certain secured loans as in the opinion of the management the same would not be payable in view of ongoing negotiations with the lenders. Had the Company made such provision, the profit for the quarter would have been lower by that amount.
- (d) The management is hopeful of recovery of a capital advance of Rs. 327.50

 Lacs in respect of which we are unable to ascertain the impact, if any, that may arise in case if the same, or part thereof, is subsequently determined to be doubtful of recovery.
- (e) No provision is made in respect of fixed assets having written-down value of Rs. 74.67 Lacs which have been surrendered with office premises pending negotiations with the party in respect of which we are unable to ascertain

the impact, if any, that may arise in case if the same, or part thereof, is

subsequently determined to be doubtful of recovery.

(f) As per the Company's policy, diminution in value of investments is

determined only at financial year-end. Consequently, diminution of Rs.

1012.30 Lacs as on 30th September 2015 is not accounted.

Based on our review conducted as above and subject to clauses (a) to (f) above

nothing has come to our attention that causes us to believe that the

accompanying statement of unaudited financial results for the quarter ended 30th

September 2015 prepared in accordance with applicable accounting standards

specified under section 133 of the Companies Act 2013 read with Rule 7 of the

Companies (Accounts) Rules 2014 and other recognized accounting practices and

policies has not disclosed the information required to be disclosed in terms of

Clause 41 of the Listing Agreement including the manner in which it is to be

disclosed, or that it contains any material misstatement.
