2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. We have not performed an audit and, accordingly, we do not express an audit opinion.

financial statements have been reviewed by other auditors whose reports have been furnished to us by the Management and our report on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and jointly controlled entity is based solely on the reports of the other auditors.

5. As per the policy followed by the Company for preparation of quarterly results, the sugar off-season expenditure amounting to Rs. 17.87 crores and Rs. 31.87 crores for the quarter and half-year ended September 30, 2014 respectively have been deferred for inclusion in the cost of sugar to be produced in the remaining part of the financial year. 6. Based on our review conducted as stated above and based on the consideration of the reports of the other auditors referred to in paragraph 4 above and except for the effects of the matter described in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in accordance with the Accounting Standards specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements with the Stock Exchanges and the particulars relating to investor complaints disclosed in Part II for the quarter ended September 30, 2014 of the Statement, from the details furnished by the Management.
