DQ ENTERTAINMENT (INTERNATIONAL) LIMITED, INDIA EARNINGS RELEASE-DECEMBER 2013

CHAIRMAN'S STATEMENT:

There is clear upsurge in the economy of North America, however the economic slowdown in Europe still continues. DQE is now making all efforts in North America to take benefit of the increased demand for TV and movie content in animation, hybrid presentations as well as pure live action. This is visible from some of our advanced negotiations with productions houses in the USA.

With the eruption of newer delivery formats, such as the VOD & SVOD platforms, there is an increased demand for animated children's content as can be seen from announcements of deals made by Netflix, Hulu, DreamWorks and several other major studios in the US.

DQE with its track record of international high quality productions such as Little Prince, Iron Man, Fantastic Four, Jungle Book, Peter Pan, The Penguins of Madagascar etc. should benefit from this renewed demand.

The industry is also witnessing an increase in demand for Visual Effects (VFX) content for animated feature films, live Action thrillers & action films and Sci-fi films from Hollywood, Europe and Japan. This will enable DQE to take advantage of its capabilities and trusted name for CGI/VFX production in USA and Europe.

Our intellectual properties are gathering momentum worldwide. We have successfully completed the deliveries of 'The Jungle Book Season 2'. Based on the strong demand from the broadcasters and producers worldwide we have green lit the production of second season of 'The New Adventures of Peter Pan'. With a substantial evolution of distribution technologies and delivery platforms, our licensing and distribution team is continuously exploring avenues for 360 degree monetisation of our content library.

An update on some of our major projects and licensing/distribution activities, and the operating highlights for the quarter ended December 2013 are as follows:
