**Notes :**

1. Sugar is a seasonal industry where crushing normally takes place during the period between November and April, while sales are distributed throughout the year. As such, the above quarterly results are not indicative of the likely results for the year.
2. The Auditors in their Report on the Accounts for the year ended 31 March 2015 and subsequent limited review report for the quarter ended 30 June 2015 and 30 September 2015 have commented upon recognition of Deferred Tax Assets (net) based on future profitability projections. The Company, however, has not recognised any further DTA during the current nine months. The Company is reviewing the recoverability of DTA recognised till 31 March 2015 amounting to ₹ 7,217.36 lacs for suitable treatment thereof in the annual accounts for the year ending 31 March 2016.
3. Due to lower average sugar realisation, the Company has incurred losses and the net worth of the Company is completely eroded. Based on representation made by the Sugar Industry, the State and Central Governments have taken steps for revival of the sugar industry. The management is hopeful that with these measures, the Company would be in a position to generate positive cash flow and profitability in future and accordingly, these financial results have been drawn up on the going concern assumption.
4. Decrease of Finished Goods and work in progress is after adjusting ₹ 2,202.80 lacs towards shortage noted at one of its unit, accounted for during the quarter ended 31 December 2015, which is under investigation by the management through an independent agency.
5. The Board of Directors of the Company has approved a Composite Scheme of arrangement amongst the Company, The Oudh Sugar Mills Limited, Palash Securities Limited, Allahabad Canning Limited, Ganges Securities Limited, Cinnatollah Tea Limited, Vaishali Sugar & Energy Limited, Magadh Sugar & Energy Limited, Avadh Sugar & Energy Limited in terms of the provisions of Section 391 to 394 and other applicable provisions of the Companies Act, 1956 & Companies Act, 2013 to the extent applicable, to restructure and de-link its multiple business in separate new entities w.e.f. 1 April 2015 subject to necessary approvals. The Company is in the process of obtaining necessary approvals from various concerned authorities and pending such approvals, no accounting adjustment thereof has been made in the above results.
6. There are no exceptional and extra-ordinary item during the quarter / nine months ended 31 December 2015.
7. The previous period figures have been re-grouped, wherever necessary, to confirm to the current period figures.
8. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on 2 February 2016. Limited Review of the above results has been carried out by the Statutory Auditors of the Company.

**Review Report to  
The Board of Directors  
Upper Ganges Sugar & Industries Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Upper Ganges Sugar & Industries Limited ('the Company') for the quarter and nine months ended December 31, 2015 (the "Statement"). This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Attention is drawn to Note 2 to the accompanying unaudited financial results, the Company has recognized Deferred Tax Asset (DTA) (net) of Rs. 7,217.36 lacs up to March 31, 2015, based on the future profitability projections made by the management. The Company, however, has not recognised any further DTA during the current nine months as a matter of prudence. In our opinion, in the absence of virtual certainty about the above projections, as required in terms of Accounting Standard – 22, had the above DTA been reversed, there would be a loss of Rs.7,651.85 lacs & Rs.12,092.20 lacs for the quarter and nine months as against the reported loss of Rs.434.49 lacs and Rs. 4,874.84 lacs respectively.

In respect of above, our review report for the quarter ended June 30, 2015, September 30, 2015 and audit report for the year ended March 31, 2015 were similarly qualified.

4. Based on our review conducted as above, except for the effect of our observation stated in para (3) above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Without qualifying our conclusion, we draw attention to Note 3 to the accompanying unaudited financial results regarding significant losses leading to material uncertainty about the Company's ability to continue as a going concern and based on mitigating factor, as fully described therein, the accompanying financial results have been prepared under the going concern assumption.
