Sonata Software recognized as finalist for 2016 Microsoft Hybrid Cloud and Infrastructure Platform Award

Bangalore, India —June 1, 2016 — Sonata Software today announced it has been named a finalist in the 2016 Microsoft Hybrid Cloud and Infrastructure Platform Award. The company was honored among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

“We feel proud to be Finalists for the Hybrid Cloud and Infrastructure Partner awards 2016. This truly recognizes our cutting edge work on Microsoft platform around Hybrid cloud and solutions around it like virtualization, infrastructure management and Azure solutions. Sonata has created solutions to manage a hybrid cloud and monitor the same through customized dashboards. Our solutions help customers get the best of Cloud by combining features and benefits of private and public cloud deployment” said Srikar Reddy, MD & CEO, Sonata Software.

Awards were presented in several categories, with winners chosen from a set of more than 2,500 entrants from 119 countries worldwide. Sonata Software was recognized for providing outstanding solutions and services in Hybrid Cloud and Infrastructure Platform.

The Hybrid Cloud and Infrastructure Platform Partner of the Year Award recognizes a partner that has excelled in delivering value to enterprise customers through Microsoft’s datacenter technologies including server platform technology, hybrid cloud management solutions and Microsoft Azure IAAS Services. Sonata has expertise in integrating on-premise and public cloud infrastructure for optimal enterprise deployment. Sonata’s solution innovation delivered an end-to-end automation with zero manual intervention, enabling faster provisioning, enhanced compliance for system and patch management as well as monitoring of both data center and cloud infrastructure.

“The outstanding innovation and value the Microsoft partner community continues to provide for our mutual customers is demonstrated by this year’s award winners,” said Gavriella Schuster, general manager, Worldwide Partner Group, Microsoft Corp. “We applaud Sonata Software on achieving FINALIST of the 2016 Microsoft Hybrid Cloud and Infrastructure Platform Award.”

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions during the past year.

About Sonata

Sonata Software is a global IT services firm focused on catalyzing transformational IT initiatives of its clients through deep domain knowledge, technology expertise and customer commitment. The company delivers innovative new solutions for Travel, Retail & Distribution and Software Product companies by integrating digital technologies such as Omni-channel commerce, Mobility, Analytics, Cloud and ERP, to drive enhanced customer engagement, operations efficiency and return on IT investments.
