Press Release

Kridhan Infra bags prestigious order for channelization of Gomti River in Uttar Pradesh

Won orders of Rs 76 crore from India and Singapore

Mumbai, 11 May 2015: Kridhan Infra Limited (Kridhan Infra), has been awarded orders worth Rs. 76 crore.

The Company, through its subsidiary, KH Foges (India), has won two orders in India, total value amounting to Rs 28 crore.

Details of the India orders:

1. KH Foges (India) has won a **prestigious order** of construction of the diaphragm wall for the **channelization of Gomti River in the state of Uttar Pradesh**. The project will entail foundation & engineering of the site and construction of the wall and is expected to be completed in 8-10 months
2. The **second order is from Tata Projects Limited, for piling work for ITC food factory in the state of West Bengal**. The project is expected to be completed in 3 months

Commenting on this, Mr. Anil Agrawal, Managing Director of Kridhan Infra Limited said: *"I am happy to share that we have continued to grow in the key focus geographies in line with our expectations. India is a fast growing and a new market for us in the piling segment. We believe that our piling expertise and technical capabilities, will enable us to leverage and benefit from this big growth opportunity in India."*

Kridhan, through its subsidiary KH Foges (Singapore) has also been **awarded orders worth Rs. 48 crore in Singapore**, for specialized foundation and engineering projects.

Kridhan Infra Limited

About Kridhan Infra Limited

Kridhan Infra Limited was established in 2006 with headquarters in Mumbai. Kridhan Infra is one of the pioneers in introducing the concept of ready to use steel for the construction industry in the country.

More than a decade of industry experience, customer centric focus, product expertise and quest for delivering quality has enabled in to attain a respectable name in the infrastructure industry across South East Asia. The company's businesses are supported by a wide marketing and distribution network.

Eyeing the changing market dynamics and a thrust on international businesses resulted in Kridhan Infra Limited expanding its wings to Singapore, Myanmar, Malaysia, Indonesia and other South East Asian countries.

To enhance its global presence, Kridhan Infra acquired KH Foges, Singapore - the second largest foundation engineering company in Singapore. The new structure and the companies under the aegis of Kridhan Infra Limited cater to multiple businesses that serve the different needs of the infrastructure industry.
