Tech Mahindra Showcases Its Digital Transformation Solutions at SAPPHIRE NOW®

- *Demonstrates its capabilities around Simplify, Digitize and Transform*

SAPPHIRE NOW, Orlando – May 5, 2015 – Tech Mahindra Ltd., an SAP partner and specialist in digital transformation, consulting and business re-engineering, is proud to showcase its digital transformation solutions at SAPPHIRE® NOW and the ASUG Annual Conference being held May 5-7 in Orlando, Fla., in booth 573. Conference attendees will have the opportunity to experience firsthand how new technologies being developed by Tech Mahindra have the potential to simplify, digitize and transform enterprises. The company is a diamond sponsor of the event.

As the world gets hyper-connected, businesses desire a more collaborative, intelligent and simplified interaction which is efficient and transformational. Tech Mahindra is presenting its six new mobility solutions that are built on SAP® Mobile Platform and are tailor-made for the automotive, aerospace and energy businesses. The technology and solution showcase of Tech Mahindra will bear testimony to its 15+ years of enriched experience, helping the enterprises achieve their business objectives to sustain competitive advantage.

*“Our experience in transformational SAP-based projects and value innovation makes us uniquely suited to help enterprises unlock the power of digital solutions for enterprises”, said **Krishna Kumaraswamy (KK), Head – SAP Practice, Tech Mahindra.** “Our deep understanding of industry domains and ability to architect next-gen digital processes, well positions us to help companies unleash huge value from their SAP solutions.”*

During the event, Tech Mahindra (Booth 573) will conduct several live demonstrations of the technologies and solutions, covering the SAP HANA® platform, SAP Fiori® apps, SAP® solutions for the Internet of Things (IoT), rapid deployment of cloud-based solutions for industries, and digital transformation ideas.

SAPPHIRE NOW and the ASUG Annual Conference are the world's premier business technology event and largest SAP customer-run conference, offering attendees the opportunity to learn and network with customers, SAP executives, partners and experts across the entire SAP ecosystem.
