Press Release

Annexure – “A”

Resumption of production at Gurgaon facility

New Delhi, May 31st, 2016: Maruti Suzuki India Limited (MSIL) will resume manufacture of vehicles at its Gurgaon facilities from second half Wednesday (June 1).

Certain operations in the Manesar campus, including casting and manufacture of transmissions, will also resume in the second half on Wednesday.

The Company had to suspend operations at its facilities on Monday, May 29 (second half) owing to an unfortunate incident of fire at the Manesar facilities of its supplier, M/s Subros Limited.

Subros Limited and MSIL are jointly working on options to obtain supply of components from other facilities and gradually bring operations back to normal.
