Dear Sirs,

**Tata Power's Maithon Power Plant awarded
with Global Energy Management Award 2017**

Maithon Power Limited (MPL), Tata Power's 74:26 joint venture with Damodar Valley Corporation (DVC), has always stood out for its exemplary efforts towards energy and environment conservation. In recognition of its excellence, MPL was bestowed by South Asia Forum for Energy Efficiency (SAFE) with Global Energy Management Award 2017.

The award which was in recognition of MPL's active contribution in the field of energy conservation was presented at a function by Mr. R K Verma, Chairperson, Central Electricity Authority to Mr. K Chandrashekhar, CEO & ED- MPL on behalf of the company. Other reputed industry players like National Thermal Power Corporation (NTPC), Bharat Heavy Electricals Limited (BHEL) and Oil and Natural Gas Corporation (ONGC) also attended the event.

The Press Release to be issued by the Company is attached for your ready reference.

Yours faithfully,
For The Tata Power Company Limited

(H. M. Mistry)
Company Secretary

Encl.

Tata Power's Maithon Power Plant awarded with Global Energy Management Award 2017

National & Dhanbad, 24th January, 2017 – Tata Power's Maithon Power Limited (MPL), the Company's 74:26 joint venture with Damodar Valley Corporation (DVC), has always stood out for its exemplary efforts towards energy and environment conservation. In recognition of its excellence, MPL was bestowed by South Asia Forum for Energy Efficiency (SAFEe) with **Global Energy Management Award 2017**.

The award which was in recognition of MPL's **active contribution in the field of energy conservation** was presented at a function by Mr. R K Verma, Chairperson, Central Electricity Authority to **Mr. K Chandrashekhar, CEO & ED- MPL** on behalf of the company. Other reputed industry players like National Thermal Power Corporation (NTPC), Bharat Heavy Electricals Limited (BHEL) and Oil and Natural Gas Corporation (ONGC) also attended the event.

Expressing his joy on the achievement, Mr. K Chandrashekhar CEO & ED- Maithon Power Ltd, Tata Power said, *"It gives me great pleasure to be a recipient of such a prestigious award. We, at Tata Power always strive to lead the reform process for sustainable power and we are committed to safeguarding the environment for future generations. Awards like these, act as an impetus for us and our teams to only continue walking on our path towards sustainability. I would like to extend my heartfelt congratulations to all team members who have constantly shown a commitment towards excellence. I am sure that we will continue this journey in the times to come."*

The South Asia Forum for Energy Efficiency (SAFEe) was formed in 2009 as a joint initiative of World Energy Council- Indian Member Committee and Energy Saving Commission-World Foundry Organization (WFO). It is a not-for-profit organization registered under the Societies Act. Since 2009, SAFEe is actively working in the energy sector to promote greater awareness about energy efficiency, equity, environment and enterprise. Experts at SAFEe contribute to nation building through policy research, policy advocacy and sectoral studies with participative knowledge networking.

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 10496 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2.6 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 3042 MW. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR"); in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennergi' to develop projects in sub-Sahara Africa; in Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for development of 185 MW hydro project which is scheduled to be commissioned in 2016; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
