

Press Release

EIL signs contract with Dangote Oil Refining Company for the mega Refinery cum Petrochemical Project in Nigeria

Engineers India Limited ("EIL") has formally entered into a contract with Dangote Oil Refining Company of Nigeria to render Project Management Consultancy ("PMC") and Engineering, Procurement and Construction Management ("EPCM") services for implementing a grassroot 400,000 BPSD (20 MMTPA) Petroleum Refinery and 600,000 TPA Polypropylene Plant in Lekki Free Trade Zone near Lagos, Nigeria. The contract worth US \$ 139 Million has been signed on 2nd June 2014. This will be the largest ever single consultancy assignment for EIL.

The main facilities of the Project comprise of Crude Distillation Unit, Residue Fluid Catalytic Cracking Unit, Diesel Hydro-treating Unit, Continuous Catalyst Regeneration Unit, Alkylation Unit, Polypropylene Unit etc, Utilities and Offsites including Captive Power with other enabling infrastructure facilities. The Crude and Product handling facilities through Single Point Mooring (SPM) would also be integrated with the refinery.

About EIL.

EIL is one of the Engineering, Procurement, Construction (EPC) and Total Solutions Consultancy Organization in the fields of Petroleum Refining, Petrochemicals, Pipelines, Oil & Gas Terminals & Storages, Fertilizers, Mining & Metallurgy and Infrastructure projects. The Company is also working in diversified areas of Water & Waste Management and has made inroads into the areas of Nuclear, Solar & Thermal Power. EIL has successfully expanded its operations internationally, and has provided a wide range of engineering consultancy services on various international projects, including in the Middle East, North Africa and South East Asia.
