separately)	All members of the IDC are duly appointed Independent, Non-Executive Directors of the Target Company. None of the Members have any contract/relationship with the Target Company at present.
8	None of the IDC Members have traded in the Equity Shares of Target Company since the date of the Public Announcement which is August 18, 2016.
9	None of the IDC Members: 1. are directors of the Acquirer, 2. hold any shares or other securities of Acquirer, and 3. have any contract/relationship with the Acquirer or PACs
10	None of the members of the IDC have ever traded in the shares/other securities of Acquirer.
11	IDC believes that the Open Offer is fair and reasonable as on the date of the Public Announcement. However, IDC would like to draw attention of the shareholders to the fact that the latest share price of the Target Company is higher than the Offer Price.

12 Summary of reasons for recommendation

The IDC has reviewed
 (a) the Public Announcement dated August 18, 2016;
 (b) the Detailed Public Statement dated August 25, 2016; and
 (c) Letter of Offer dated January 4, 2017 filed with the Securities and Exchange Board of India.

In addition to the above, the IDC has taken into consideration the following for making this recommendation:
 (a) Offer Price offered by the Acquirer (being the highest price amongst the selective criteria) is in line with the regulations prescribed under by SEBI under the Takeover Code and prima facie appears to be justified;
 (b) Certificate dated August 18, 2016 from Vijay V. Rajwade, Chartered Accountant, (Membership No. 046344) enumerating the volume-weighted average market price of equity shares for a period of 60 (sixty) trading days immediately preceding the date of the Public Announcement.
 (c) the prevailing market price of equity shares of the Target Company;
 (d) proposed fund raising by the Company in a board meeting called for January 11, 2017 wherein the pricing will need to be in line with Regulation 76 of the Securities And Exchange Board Of India (Issue Of Capital And Disclosure Requirements) Regulations, 2009 which will be impacted by the prevailing market prices;

Based on the above, IDC is of the opinion that the Offer Price to the public shareholders of the Target Company is in line with the requirements under the Takeover Code and
