The Company is taking necessary steps towards enhancement of net worth through better utilisation of its production facilities and monetisation of certain assets. Accordingly, the accounts have been prepared on the going concern basis, keeping in view the optimism on changing market conditions.
- A Composite Scheme of Arrangement (here-in-after referred to as the 'Scheme') amongst Jindal Stainless Limited (the Company/Transferor Company) and its three wholly owned subsidiaries namely Jindal Stainless (Hisar) Limited (JSHL), Jindal United Steel Limited (JUSL) and Jindal Coke Limited (JCL) under the provisions of Section 391-394 and other applicable provisions of Companies Act, 1956 and / or Companies Act, 2013 has been sanctioned by the Hon'ble High Court of Punjab & Haryana, Chandigarh (High Court) pursuant to order dated 21st September 2015 (as modified on 12th October, 2015 by the High Court). Section I and Section II of the Scheme became effective on 1st November, 2015, operative from the 'Appointed Date 1' specified in the Scheme for Section I and II i.e. close of business hours before midnight of March 31, 2014 and Section III and Section IV of the Scheme will become effective on receipt of necessary approvals for transfer/grant of the right to use in the land on which the HSM and the Coke Oven Plant are located as specified in the Scheme, operative from the 'Appointed Date 2' i.e. close of business hours before midnight of March 31, 2015.

Pursuant to the Section I and Section II of the Scheme becoming effective, the Demerged Undertakings (comprising of FA Division and Mining Division) and the Business Undertaking 1 (comprising of Hisar Unit including investments in the domestic subsidiaries as listed in Part B of Schedule 2 of the Scheme) have been transferred to and vested in JSHL with effect from the 'Appointed Date 1' i.e. close of business hours before midnight of March 31, 2014; accordingly the same has been given effect to in these accounts.

The financial statements of the Company for the year ended 31st March, 2015 were earlier approved by the Board of Directors at their meeting held on 30th May, 2015, on which the Statutory Auditors of the Company had issued their report dated 30th May, 2015. These financial statements have been reopened and revised to give effect to the Scheme as stated herein above. In view of above, the audited financial results for the year ended 31st March 2014 are not comparable.

As prescribed by the Scheme, the Company is required to issue equity shares to JSHL for an amount of Rs. 366.19 Crores (being the amount due and payable by the Company to JSHL as receivable due to JSHL from JSL as of the 'Appointed Date 1' i.e. close of business hours before midnight of March 31, 2014) at a price to be determined in accordance with Chapter VII of the SEBI (ICDR) Regulations 2009 with the record date (i.e. 21st November, 2015 jointly decided by the boards of directors of the Company and JSHL) being considered as relevant date as specified in the Scheme; Accordingly, pending allotment of the aforesaid equity shares by the Company to JSHL, the same has been shown as "Share Capital Suspense Account". Accordingly Diluted EPS has been considered after taking into account 7,46,47,337 nos. (estimated on fair value basis) of equity shares to be allotted against amount of Rs. 366.19 Crore appearing under "Share Capital Suspense Account".

On transfer of Business Undertaking 1, the differential between the book values of assets & liabilities transferred and the lump sum consideration received as stated above amounting to Rs. 1160.22 Crores has been credited in the Statement of profit & loss and included under Exceptional Item.

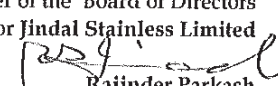

The difference of Rs. 585.13 Crores between the book values of assets and liabilities pertaining to the Demerged Undertakings transferred has been adjusted against Security Premium Account.

Share capital of JSHL comprising of 250,000 equity shares having face value of Rs. 2 each, 100% held by the Company has been cancelled. Accordingly the said investment amounting to Rs. 5.00 Lacs has been charged off in the Statement of Profit & Loss and has been included under Exceptional Item.

- Discontinuing Operations - Section III and Section IV of the Scheme:

Particulars	Rs in crore
	Year ended 31st March 2015
Total Revenue (Including other income)	906.67
Total expenses	974.25
Profit before taxes	(67.58)
Taxes	-
Profit after tax	(67.58)

- Net foreign exchange gain/loss has been considered by the Company as exceptional in nature as per existing practice. Further, exceptional item includes provision for diminution in value of investment and advance in subsidiary companies, Jindal Stainless Madencilik Sanayi VE Ticaret A.S., Turkey amounting to Rs. 16.24 Crore and Jindal Acerosinoxidable S.L., Spain amounting to Rs. 0.14 Crore for the year ended 31st March 2015. The company has entered MOU for disposal of its shareholding in the Turkish company, while it is in process of filing of winding up petition for the Spanish company.
- Pursuant to the requirement of the schedule II of Companies Act, 2013, the Company has, effective 1st April 2014, reviewed and revised the estimated useful lives of its fixed assets. Consequent thereto, the depreciation charge for the year ended on 31st March 2015 is lower by Rs. 126.57 Crore. Further based on transitional provision of schedule II, an amount of Rs. 3.53 Crore has been adjusted against the retained earnings.
- The Company has made investment of Rs. 8.56 Crore (along with bank guarantee of Rs. 10.01 Crore) in MJSJ Coal Limited (MJSJ) and Rs. 0.10 Crore in Jindal Synfuels Limited (Jindal Synfuels), wherein JSL hold 9% and 10% stake respectively (both joint venture companies). The Hon'ble Supreme Court of India vide order dated 24.09.2014 has cancelled 214 out of 218 coal blocks allotted to various companies/entities, including the coal blocks allotted to MJSJ & Jindal Synfuels. No mining activity/production had commenced in these coal blocks, therefore cancellation of these coal blocks allotted to the MJSJ and Jindal Synfuels will not have any material impact on the current operations of the Company. The Company has filed review petition on 18.11.2014 challenging the order dated 24.09.2014 passed by Hon'ble Supreme Court and the matter is pending adjudication in respect of coal block allotted to MJSJ. After the enactment of the Coal Mines (Special Provisions) Act, 2015 dated 30th March 2015 allowing compensation to the prior allottees in respect of land and mining infrastructure, the management does not anticipate any material variance between carrying value of assets in investee companies and the expected compensation.
- As the company's business activity falls within a single primary business segment viz. 'stainless steel', the disclosure requirement of Accounting Standard (AS-17) on "Segment Reporting" is not applicable.
- The previous period figures have been regrouped wherever necessary.

1. We have reviewed the accompanying statement of standalone unaudited financial results of Jindal Stainless Limited ("the Company") for the quarter ended 30th September, 2015 ("the Statement"), being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreements with the Stock Exchange, except for the disclosures in Part II – Select Information referred to in para 6 below. We have also reviewed statements of assets and liabilities of the company as on that date. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditors of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. **Emphasis of Matters:**

Without qualifying our report, we draw attention to the following:

- (a) Net worth of the company has been eroded as stated in note no. 2 of accompanying Statements. The company continues to prepare its accounts on a going concern basis in view of reasons stated in the said note (read with note no. 4);
- (b) Pending necessary approvals for managerial remuneration for the period covered by this report read with Note no. 55(C)(i) of audited accounts for the year ended 31st March, 2015;
- (c) Pending confirmations of balances of certain secured loans (read with Note No. 27) and loans & advances, trade receivables, trade payables & other liabilities for the period covered by this report read with Note no. 34(A)(iii)(f) & 34(B) read with Note no. 43(B) and 43(A) of audited accounts for the year ended 31st March 2015;
- (d) Investments and loan & advances to certain subsidiary companies and Mat Credit entitlement, considered as good and fully realizable/ recoverable and no provision for diminution in value is considered necessary in the opinion of the management, for the period covered by this report read with note no. 43(C) of audited accounts for the year ended 31st March 2015; and
- (e) Note no 37 of audited accounts for the year ended 31st March, 2015 wherein the company has made investment of Rs. 8.56 crore (along with bank guarantee of Rs. 10.01 Crore) and Rs.0.10 Crore in MJSJ Coal Limited and Jindal Synfuels Limited respectively. The company continues to treat the investment as good and recoverable in view of the pending decision challenging the Order and other circumstances mentioned therein.

4. **Other Matter**

The financial statements of the Company for the year ended 31st March, 2015 were earlier approved by the Board of Directors at their meeting held on 30th May, 2015, on which the Statutory Auditors of the Company had issued their report dated 30th May, 2015. These financial statements have been reopened and revised to give effect to the Scheme as explained in Note No. 27(4) of the Revised financial statements of the Company for the year ended 31st March, 2015; accordingly the results for the Quarter and six months ended 30th September 2015 are after incorporating effect of Section I & II of the Scheme.

5. Based on our review conducted as above and read with Para 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the applicable Accounting Standards referred to in section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement with the stock exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. Further, we also report that we have traced the number of shares as well as percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of share pledged / encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreement with the Stock Exchange and the particulars relating to investor complaints disclosed in Part II – Select Information for the quarter ended 30th September, 2015 of the statement.
