

PRESS RELEASE

Manali Petrochemicals Limited is a premier Indian Polyol manufacturer. To transform itself as an Indian multi-national, the Company is keen to foray into the PU markets abroad. The Company is considering various locations around the globe for setting up system houses and related activities in the next 2 - 3 years. As an initial step the Board of Directors at its meeting held on 4th November 2015 has granted in principle approval for setting up an overseas subsidiary through which the Company proposes to expand its global footprint.
