## Notes to the Consolidated Results:

1. The above results were viewed and recommended for adoption by Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on May 30, 2015.
2. A Scheme of Amalgamation of the Company with Simbhaoli Spirits Limited (SISPL), the wholly owned subsidiary company (the Scheme), as approved by the Board of both the companies, was filed with the Hon'ble High Court of Judicature at Allahabad (the Court). With effect from the Appointed Date i.e. the close of the business hours on March 31, 2014 or such other date as may be fixed or approved by the Court, the entire business and undertaking of the Company, shall be and stand transferred to and vested in or be deemed to have been transferred to and vested in SISPL, as a going concern without any further act and deed. The share holders and unsecured creditors of the Company have approved the Scheme on September 20, 2014. The Company and SISPL are in process to seek approval from their respective secured creditors. Pending sanction of the Scheme by the Court, no financial effect has been considered in these financial statements and further, based upon expert advice and pending necessary clarification from Board for Industrial and Financial Reconstruction (BIFR), no requisite steps as applicable to the sick companies have been initiated under the prevailing laws.
3. The Government of Uttar Pradesh (U.P.) has announced subsidy on sugar cane purchases during the sugar season 2014-15 linked to the average selling price of sugar and its by-products during the period October 1, 2014 to May 31, 2015 to be finalised by a Committee to be constituted by the Government of U.P. Based on the prevailing and expected prices the Company is confident of realising the full subsidy of Rs. 28.60 per quintal aggregating to Rs. 5,743 lacs for the year. Pending final determination of the amount of subsidy and interest charge on delayed payments if any, the Company has on a conservative basis accounted for Rs. 4739 lacs for the year in the Statement of Profit & Loss by adjustment of cost of materials consumed. Necessary adjustments would be made on final determination of the amount of subsidy.
4. Over the last few years, the Company has been incurring cash losses due to which its net worth has been eroded and its current liabilities are significantly higher than its current assets. The Uttar Pradesh based sugar companies have been facing financial difficulties on account of higher sugar cane prices, lower realization of sugar and high finance cost in last 3-4 years. In the previous years, the Company has implemented various initiatives which included business and financial restructuring of its business divisions into new SPVs and planned growth in operations and disinvestments of the shares in such SPVs, etc. for de-risking its businesses and improving its financial position. Also, the State and Central Government, recognizing the importance of the sugar industry are taking necessary steps as in the previous year to strengthen the sugar industry. In view of the above and also considering the Scheme as stated in Note 2 above, these financial results have been prepared by the Company on a going concern basis.
5. With effect from April 1, 2014, depreciation on the opening block of assets has been provided as per the useful life prescribed in Schedule II of the Companies Act, 2013 (the Act), except in case of certain plant and machinery items of Simbhaoli Power Private Limited, on which depreciation has been provided for on the basis of useful life determined by an independent valuer. Consequent thereto, depreciation charge for the quarter and year ended March 31, 2015 is lower by Rs. 287 lacs and Rs. 929 lacs respectively and depreciation amounting to Rs. 404lacs (net of revaluation reserve of Rs. 125 lacs) has been adjusted from the opening balance of retained earnings. As regards additions during the year, depreciation has been charged as per the provisions of the Schedule II of the Act.

6. (a) For the year ended March 31, 2014, exceptional item includes Rs. 1,058 lacs written off as shortage of finished goods in the sugar units of the Company.
- (b) For the year ended March 31, 2015, exceptional item includes Rs. 500 lacs for penalty imposed by the Hon'ble National Green Tribunal, New Delhi (NGT) vide its order dated October 16, 2014.
7. The Hon'ble National Green Tribunal, New Delhi (NGT) has vide its order dated October 16, 2014 (the Order), upheld the complaint alleging non-fulfillment of certain conditions on pollution and effluent discharge against the Company and its wholly owned subsidiary Simbhaoli Spirits Limited (SISPL). NGT has laid down certain conditions for restarting the distillery operations of SISPL which has been closed since February 20, 2014. The Company has taken requisite steps in this regard and is confident that the operation will commence soon after taking requisite approval from the concerned authorities. In view of the above facts, management is confident of resuming the operation at distillery plant of SISPL.
8. A vessel carrying raw sugar purchased by the Company sank in July 2009 for which an insurance claim was repudiated against cargo insurers. Subsequent to completion of recovery proceedings against ship owner, the Company is continuing to pursue its ongoing legal proceedings against the Cargo insurers for balance claim amount of Rs. 769 lacs. However, as abundant caution, management has provided the amount in the financial statement.
9. Sugar, one of the major businesses of the Group (Company, its subsidiaries and jointly controlled entity), is a part of seasonal industry. The results may vary from quarter to quarter.
10. The previous period's figures have been regrouped/rearranged wherever necessary.
11. The figures for the last quarter are the balancing figures between the audited figures in respect of full financial year and the published unaudited year to date figures up to the third quarter of the financial year.

## Notes to the Standalone Results:

1. The above results were viewed and recommended for adoption by Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on May 30, 2015.
2. A Scheme of Amalgamation of the Company with Simbhaoli Spirits Limited (SISPL), the wholly owned subsidiary company (the Scheme), as approved by the Board of both the companies, was filed with the Hon'ble High Court of Judicature at Allahabad (the Court). With effect from the Appointed Date i.e. the close of the business hours on March 31, 2014 or such other date as may be fixed or approved by the Court, the entire business and undertaking of the Company, shall be and stand transferred to and vested in or be deemed to have been transferred to and vested in SISPL, as a going concern without any further act and deed. The share holders and unsecured creditors of the Company have approved the Scheme on September 20, 2014. The Company and SISPL are in process to seek approval from their respective secured creditors. Pending sanction of the Scheme by the Court, no financial effect has been considered in these financial statements and further, based upon expert advice and pending necessary clarification from Board for Industrial and Financial Reconstruction (BIFR), no requisite steps as applicable to the sick companies have been initiated under the prevailing laws.
3. The Government of Uttar Pradesh (U.P.) has announced subsidy on sugar cane purchases during the sugar season 2014-15 linked to the average selling price of sugar and its by-products during the period October 1, 2014 to May 31, 2015 to be finalised by a Committee to be constituted by the Government of U.P. Based on the prevailing and expected prices the Company is confident of realising the full subsidy of Rs. 28.60 per quintal aggregating to Rs. 5,743 lacs for the year. Pending final determination of the amount of subsidy and interest charge on delayed payments if any, the Company has on a conservative basis accounted for Rs. 4739 lacs for the year in the Statement of Profit & Loss by adjustment of cost of materials consumed. Necessary adjustments would be made on final determination of the amount of subsidy.
4. Over the last few years, the Company has been incurring cash losses due to which its net worth has been eroded and its current liabilities are significantly higher than its current assets. The Uttar Pradesh based sugar companies have been facing financial difficulties on account of higher sugar cane prices, lower realization of sugar and high finance cost in last 3-4 years. In the previous years, the Company has implemented various initiatives which included business and financial restructuring of its business divisions into new SPVs and planned growth in operations and disinvestments of the shares in such SPVs, etc. for de-risking its businesses and improving its financial position. Also, the State and Central Government, recognizing the importance of the sugar industry are taking necessary steps as in the previous year to strengthen the sugar industry. In view of the above and also considering the Scheme as stated in Note 2 above, these financial results have been prepared by the Company on a going concern basis.
5. During the previous year, the Company had transferred its power co-generation businesses situated at its sugar plants at Simbhaoli and Chilwaria to Simbhaoli Power Private Limited. As on March 31, 2015, the balance interest bearing consideration of Rs. 8,180 lacs has to be discharged in the manner laid down under the respective Business Transfer Agreements (BTAs) through allotment of shares/securities and the cash payment of Rs. 5,682 lacs on or before the date falling forty eight months from the date of the BTAs, or earlier in terms of the Joint Venture Agreement with the Joint Venture partner in SPL. The management is confident that such outstanding consideration would be realized as per the terms set out in BTAs and no loss would arise in this regard.

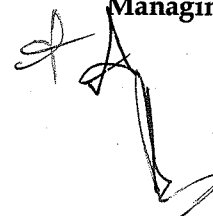

6. With effect from April 1, 2014, depreciation on the opening block of assets has been provided as per the useful life prescribed in Schedule II of the Companies Act, 2013. Consequent thereto, depreciation charge for the quarter and year ended March 31, 2015 is lower by Rs. 126 lacs and Rs. 511 lacs respectively and depreciation amounting to Rs. 170 lacs (net of revaluation reserve of Rs. 125 lacs) has been adjusted from the opening balance of retained earnings. As regards additions during the year, depreciation has been charged as per the provisions of the Schedule II of the Act.
7. Exceptional item of Rs. 1,058 lacs in the quarter and year ended March 31, 2015 represents write off of inventory shortage arising due to irregularities/ misappropriation committed by certain former senior executives of the Company against whom legal proceedings are in progress.
8. A vessel carrying raw sugar purchased by the Company sank in July 2009 for which an insurance claim was repudiated against cargo insurers. Subsequent to completion of recovery proceedings against ship owner, the Company is continuing to pursue its ongoing legal proceedings against the Cargo insurers for balance claim amount of Rs. 769 lacs. However, as abundant caution, management has provided the amount in the financial statement.
9. The previous period's figures have been regrouped/rearranged wherever necessary.
10. Sugar, one of the major businesses of the Company, is a part of seasonal industry. The results may vary from quarter to quarter.
11. The figures for the last quarter are the balancing figures between the audited figures in respect of full financial year and the published unaudited year to date figures upto the third quarter of the financial year.
