Registered Office: Block No. 486,487,488, Mouje Dholasan, Taluka and District Mehsana – 382 732. CIN Number: L45202GJ1986PLC009042

This Public Announcement is made pursuant to the provisions of Regulation 15(d) read with Regulation 15(c) and is in compliance with the Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 as amended ("Buyback Regulations" or "Regulations") and contains the disclosures as specified in Schedule II to the Buyback Regulations.

1. THE BUYBACK

1.1 The Board of Directors of Gujarat Apollo Industries Limited ("Company" or "GAIL") at its meeting held on November 5, 2015 ("Board Meeting") approved the proposal for buyback of its own fully paid up equity shares of face value of Rs. 10 each ("Shares" or "Equity Shares") in accordance with the provisions contained in Article 13A of the Articles of Association of the Company, subject to the provisions of Sections 68, 69 & 70 of the Companies Act, 2013 ("Companies Act"), and other applicable laws, approval/s as may be necessary, from time to time from statutory authorities including but not limited to the Regulations, the Listing Agreements entered with the BSE Limited ("BSE") and the National Stock Exchange of India Limited ("NSE") (BSE and NSE collectively referred as "Stock Exchanges"), Reserve Bank of India ("RBI") and Securities and Exchange Board of India ("SEBI"), etc. as may be required and further subject to such conditions as may be prescribed while granting such approval/s which may be agreed to by the Board of Directors of the Company.

1.2 Necessity for the Buyback

During the financial year 2013 - 14, the Company executed a Business Transfer Agreement for the strategic joint venture with Switzerland based Ammann Group. As per that joint venture, the Company and its wholly owned subsidiary, Apollo Earthmovers Limited transferred the entire product portfolio of asphalt plants and paver business (excluding crushing and screening business) on April 10, 2013 to Ammann Apollo India Private Limited on slump sale basis. This joint venture resulted in substantial cash surplus of more than Rs. 100 Crore for the Company, leading to a very favourable liquidity position.

As on March 31, 2015, the Company still had a liquid investment in mutual funds of more than 90 Crore (having aggregate market value of more than Rs. 105 Crore) and Cash and Bank balance of more than Rs. 16 Crore. Presently, the Company does not have any plan for major capital investment or expansion or business acquisition in the near future. These facts when reviewed against the management's overall objective of maximization of shareholders wealth, has lead the management to consider buyback of the Equity Shares of the Company as an effective way of utilizing the liquid surplus funds being more than what is needed for its regular business operations. The buyback is proposed out of the Company's accumulated free reserves. The buyback is expected to:

- reduce outstanding number of equity shares and consequently increase Earnings Per Share over a period of time;
- effectively utilize surplus cash; and
- make the Balance Sheet leaner and more efficient to improve key return ratios like Return on Net Worth, Return on Assets etc.

1.3 The Board of Directors have approved a maximum amount of up to Rs. 22.50 Crore ("Maximum Buyback Size") excluding brokerage costs, Securities and Exchange Board of India turnover charges, taxes such as securities transaction tax, service tax and relevant stamp duty (collectively referred to as "Transaction Costs") for the Buyback. The Maximum Buyback Size represents about 8.13% of the aggregate of the Company's called up and paid up equity share capital and free reserves as at March 31, 2015 (the date of the latest standalone audited accounts as on the date of the Board Meeting). The amount required by the Company for the Buyback will be met out of the cash/bank balances and/or by sale of liquid marketable investments made by the Company and/or internal accruals. Though the Company does not propose raising debt for affecting the Buyback, it may continue to borrow funds in the ordinary course of its business.

1.4 The Board of Directors have approved Buyback of Equity Shares at a maximum price not exceeding Rs. 150 per Equity Share excluding Transaction Costs ("Maximum Buyback Price"). The Maximum Buyback Price has been arrived at after considering certain parameters including but not limited to the book value, earning per share, the market value as well as stock price performance on the Stock Exchanges.

1.5 At the Maximum Buyback Price and for the Maximum Buyback Size, the maximum number of Equity Shares that can be bought back would be 15,00,000 Equity Shares, representing about 9.90% of the pre-Buyback outstanding Equity Shares as on the date of the Board Meeting. Should the average purchase price be lower than the Maximum Buyback Price, the number of Equity Shares that might be bought back would be more, assuming that the Buyback is for the complete amount of Rs.22.50 Crore. The maximum number of Equity Shares that the Company can buyback, as per Section 68 of the Companies Act, in any financial year shall not exceed 25% of the total paid-up equity capital of the Company in that financial year. The Buyback of the Equity Shares would further be subject to the conditions for continuous listing prescribed in terms of Clause 40A of the Listing Agreement between the Company and the Stock Exchanges for maintaining a minimum 25% public shareholding. Accordingly, the Board of Directors have decided that the buyback shall not exceed 15,00,000 Equity Shares.

1.6 The Buyback is proposed to be implemented by the Company through the methodology of "Open market purchases through Stock Exchanges", as provided in the Buyback Regulations. The Buyback will be implemented in the manner and following the procedure prescribed in the Companies Act and the Buyback Regulations and as may be determined by the Board of Directors and on such terms and conditions, as may be permitted by law from time to time. The Equity Shares of the Company are listed on the Stock Exchanges and the buyback of Equity Shares will be made through the Stock Exchanges with nationwide trading terminals having electronic trading facility.

1.7 The aggregate shareholding of the promoters and of the directors of the promoters, where the promoter is a company and of persons who are in control of the Company ("Promoters") as on the date of the Board Meeting is 80,77,292 Equity Shares constituting 53.30% of the paid-up equity capital of the Company.

1.8 No Equity Shares were either purchased or sold by the Promoters during the period of twelve months preceding the date of the Board Meeting except as detailed below:
