The same was confirmed by the CDR lenders. Accordingly the consolidated financial statements are for a period of 9 months from 1<sup>st</sup> April, 2013 to 31<sup>st</sup> December, 2013 and are not comparable with the figures for the previous year of 12 months.
3. The above published audited consolidated results for the period ended 31<sup>st</sup> December, 2013 have been prepared in accordance with the principles of consolidation set out in AS 21 – Consolidated Financial Statements, AS 27 – Financial reporting of interests in joint ventures and AS 23 – Accounting for Investments in Associates in Consolidated Financial Statements.
4. The Auditors have qualified their audit report on the following matters-
  - a. The accounts of one of the subsidiaries M/s Franco Tosi Meccanica S.p.A, Italy (FTM) are not available for the period 1<sup>st</sup> January 2013 to 31<sup>st</sup> December 2013 and accordingly have not been included in the consolidated financial statements. The consolidated financial statements include only the effect till 31<sup>st</sup> December 2012 based on un-audited management prepared accounts.

Management Response

The application for pre-insolvency composition agreement with creditors in the Italian court is pending and there is continuous shifting of dates and delays in conclusion of the process of restructuring. In the light of the on-going procedure, the Commissioner in charge of the restructuring procedure has not released any financial statements.

The Company had made full provision towards the Goodwill on consolidation amounting to Rs. 109.12 Crores in the previous year.

Further, post Balance sheet date, one of the Company's subsidiary has entered into Memorandum of Understanding with intended purchaser for sale of its investment in Franco Tosi Mecannica S.p.A. The sale-purchase agreement is subject to regulators, shareholders' and bankers' approval.

- b. The auditors of one of the Company's subsidiary M/s SAE Powerlines S.r.l, Italy (SAE), has expressed their inability to opine on the financial statements in view of the directors of the said SAE having highlighted liquidity crisis and its ability to operate as a going concern being at risk.

Management Response

The Company has exposure towards investment and guarantee against acquisition loan for which it has made provisions in the standalone financials on the basis of offer received from intended buyer. Following principle of conservatism the Company had made full provision towards the Goodwill on consolidation amounting to Rs. 17.63 Crores in the previous year.

Further, post balance sheet date, one of the company's subsidiary has entered into Memorandum of Understanding with intended purchaser for sale of its investment in SAE Power Line S.r.l. The sale-purchase agreement is subject to regulators', shareholders' and bankers' approval.

- c. The financial statements of one of the material Associate Company, M/s Sofinter S.p.A, Italy, are based on un-audited management prepared financial statements and of one of the subsidiary M/s Campo Puma Oriente S.A, are based on un-audited management prepared financial statements signed by one of the Director representing Gammon India Limited.

Management Response

Due to the fact that the finalization of the financial statements of Sofinter and Campo Puma Oriente could not be audited due to the short period of time available for the completion of the audit, the financial statements are as per management prepared accounts.

- d. The Auditors have re-iterated the qualification arising out of the audit report of M/s Sofinter S.p.A issued for the year ended 31<sup>st</sup> December 2012 on account of absence of sufficient information to assess the recoverability of net receivables of one of its associates amounting to euro 13.20 Million (Rs. 112.67 Crores) and recognition of possible claims of euro 3.00 Million (Rs. 25.60 Crores) resulting in trade receivable being overstated. The group share in Sofinter as at 31<sup>st</sup> December, 2013 is 32.50% thereof.
- e. The auditors of one of the subsidiaries M/s Gammon & Billimoria LLC, Dubai have qualified their audit opinion regarding receivables of AED 2.70 Million (Rs. 4.54 Crores) (31st March 2013 AED 2.70 Million (Rs. 3.93 Crores), which is due to the company as a sub-contractor. Since the said company has back to back terms with the main contractor, the recoverability of the said amounts is dependent on successful outcome of the main contractor's dispute with the client, the auditors are of the opinion that substantial portion of the same should be considered as impaired.
- f. The Company's Application for managerial remuneration for the Chairman and Managing Director and other executive directors is rejected for some of the previous years, partly accepted for some years and no decision has been taken for the balance years. In view of the same no effect has been given in the attached financial statements for the following
