Hyderabad, October 29, 2014:Gati Ltd. (NSE: GATI, BSE: 532345) India's leader in Express Distribution and Supply Chain Solutions, declared its financial results for the second quarter ended 30th September 2014. Gati's half-yearly consolidated total income grew 18%, to Rs. 815 crore, while consolidated net profit for the same period was up 112% to Rs. 27.54 crore. Excluding the exceptional provision of Rs 2.96 crore, the consolidated net profit for the period stands at Rs 30.50 crore.

In Q2FY'15, the Company's consolidated net profit rose by 117% at Rs 12.49 crore as against Rs 5.76 crore in the corresponding quarter previous year. The company now delivers over 6 million packages per month across 667 districts in India.

The key highlight for the company this quarter is Gati Kausar India Ltd., the cold chain arm, raising Rs. 150 crore from funds managed by Mandala Capital Ltd.. Out of the 150 crore, INR 30 crore has been invested in the form of Equity shares and Compulsory Convertible Preferential shares (CCPS) and the remaining INR 120 crore shall be invested in the form of Non-Convertible Bonds (NCB).

Mandala Capital Ltd. manages private equity funds that invest in companies focused on the agribusiness sector within the Indian subcontinent.

The funds raised by Gati Kausar will be utilised primarily for building a network of cold warehouses across the country over the next three years thus enabling the company to offer integrated cold chain

logistics and supply chain management, as well as value added services. GatiKausar already transports refrigerated goods across verticals such as healthcare, meat & poultry, bio-pharma, frozen & fresh produce, dairy products, organised retail and quick service restaurants. With an existing fleet size of approximately 200 vehicles, GatiKausar intends to build synergies for its clients by offering both reefer storage and transportation under one roof.

Commenting on the PE Investment, **Mr. Mahendra Agarwal, Founder& CEO** said, *"The investment in Gati Kausar will give us the impetus to position ourselves as the end-to-end solution provider for the cold chain industry. We are confident that with the expansion in the cold warehouses across the country in the next 3 years, we will emerge leaders in this sector too."*
