

HCC**Press Release****HCC awarded orders worth Rs 725 crore**

**Awarded order for 2.9km bridge on Sone river in Bihar worth Rs 433 crore
Also secures contracts worth 292 crore in Water, Nuclear & Industrial sectors**

Mumbai, February 10, 2014: Hindustan Construction Company (HCC) Ltd, India's leading infrastructure company, has been awarded contracts worth Rs 725 crore in various business segments.

The first order is for construction of 2.9km long four lane bridge between Daudnagar and Nasriganj including approach roads over river Sone in the district of Aurangabad and Rohtas in the state of Bihar. The contract is awarded by Bihar Rajya Pul Nirman Nigam Ltd and is worth Rs 433 Crores.

The company has also secured orders aggregating Rs 293 Crore from Water, Nuclear and Industrial sectors which include:

- Construction of Bhama Askhed Water Supply Scheme, Package-IV for Pune Municipal Corporation
- Construction of buildings for Fast Reactor Fuel Cycle facility [FRFCF] at Kalpakkam being built for Indira Gandhi Centre for Atomic Research
- Structural steel fabrication works for a leading petrochemical company in India and civil works for a captive power plant for a leading aluminium manufacturer in the country

On winning contracts in different segments, Arun Karambeklar, President and Whole Time Director, HCC Ltd, said "We have received well diversified orders in terms of geographic and business spread. These orders reflect HCC's capability to cater to varied segments in an extremely competitive environment and reinforce our expertise in providing reliable solutions to the business segments we are operating".

About HCC:

HCC is a business group of global scale developing and building responsible infrastructure through next practices. With an engineering heritage of nearly 100 years, HCC has executed a majority of India's landmark infrastructure projects, having constructed 25% of India's Hydel Power generation and over 50% of India's Nuclear Power generation capacities, over 3,500 lane km of Expressways and Highways, more than 288 km of complex Tunneling and over 350 Bridges. HCC's landmark projects include the Bandra Worli Sea Link, Mumbai - India's first and longest open sea cable-stayed bridge; the Kolkata Metro, Farakka Barrage and India's largest nuclear power plant at Kudankulam - Tamil Nadu, to name a few. Today, HCC Ltd. serves the infrastructure sectors of Transportation, Power and Water. HCC is also developing Lavasa City, a planned hill city and one of India's largest urban development and management initiatives. The HCC Group, with a group turnover of Rs 8,510 crore, comprises of HCC Ltd, HCC Infrastructure Co. Ltd, HCC Real Estate Ltd, Lavasa Corporation Ltd and Steiner AG in Switzerland.
