- 4) a) Exceptional items represent profit on sale of CCP unit and non-current investments.
b) There were no extraordinary items during the respective periods reported above.
- 5) The operating results have been adversely affected due to adverse market conditions and the accumulated losses of the Company as at 31st March 2014 (being the date of last audited financial statements) stand at ₹ 15200 lacs as against the share capital of ₹ 9247 lacs. Also current liabilities as at 31st March 2014 exceed current assets by ₹ 8771 lacs. The Company has also declared “Suspension of work” at its Uttarpara Plant w.e.f. 24th May 2014 (refer note 6 below). These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company’s ability to continue as a going concern, which is dependent on the Company establishing profitable operations and sustainable cash flows. The Management is in the process of restructuring the operations and has hired a consultant to give an external perspective on the challenges and possible solutions at the Uttarpara Plant. The Management is confident that these measures are expected to result in sustainable cash flows and accordingly, the Company continues to prepare its accounts on a “Going Concern” basis. The Auditors in their audit report for the period ended 31st March 2014 had also given Emphasis of Matter on above.
- 6) Due to low productivity, growing indiscipline, shortage of funds and lack of demand of products, the management has declared “Suspension of work” at Company’s Uttarpara Plant with effect from 24th May 2014. Consequently, current quarter’s financial results are not comparable with financial results of earlier periods.
Based on legal opinion obtained, the employees and workmen, falling under the purview of “Suspension of Work”, are not entitled to any salary and wages during that period and accordingly the Company has not provided for such salary and wages.
Further, in view of the consequent employee agitations, the management does not have access to certain books, records and other underlying source documents in relation to operational and financial matters. In the absence of such records, material consumption for production during the quarter has been considered based on standard consumption norms. However, based on the present scale of operations of the Company at Uttarpara, the management believes that the impact thereof, if any, is not expected to be material on current quarter’s financial results.

- 7) The Government of West Bengal (GoWB) has alleged that the Company has realized an excess sum of ₹ 19447 lacs from the sale of 314 acres of land at Hindmotor, West Bengal in earlier years and it should refund the said amount along with interest thereon. The Company has been legally advised that there is no liability on the Company to make any payment against the alleged demand. Accordingly, the Company has denied and disputed the allegation and hence, no provision is considered necessary by the management against the said claim. The Auditors in their audit report for the period ended 31st March 2014 had also given Emphasis of Matter on above.
- 8) As the Company's business activity falls within a single primary business segment, viz., "Automobiles" and there is no reportable secondary segment i.e. geographical segment, the disclosure requirement of Accounting Standard-17 "Segment Reporting" as notified by Companies (Accounting Standards) Rules, 2006 (as amended) is not applicable.
- 9) Effective from 1st April 2014, the Company has charged depreciation based on the revised remaining useful lives of the assets as per the requirement of Schedule II of the Companies Act, 2013. Due to above, depreciation charge for the quarter ended 30th June 2014, is lower by ₹ 32.44 lacs. Further, based on transitional provision provided in Note 7(b) of Schedule II, an amount of ₹ 710.25 lacs has been adjusted with retained earnings. Deferred tax asset has not been created on above in absence of virtual certainty.
- 10) Prior period figures have been re-grouped / rearranged, wherever necessary.

Limited Review Report

**Review Report to
The Board of Directors
Hindustan Motors Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Hindustan Motors Limited ('the Company') for the quarter ended June 30, 2014 (the "Statement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been reviewed by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors/ committee of Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. *We draw attention to note 6 to the accompanying Statement of Unaudited Financial Results regarding certain documentation that is not available with the Company. In the absence of such documentation, we are unable to comment on the consequential effects, if any, of the same on the financial results.*
4. Without qualifying our conclusion, attention is drawn to the following notes to the financial results:
 - a) Note 5 regarding preparation of the accounts on a going concern basis. The Company has been incurring losses and its net worth stands fully eroded as at March 31, 2014 and also, its current liabilities exceed its current assets. The Company has suspended operations in its Uttarpara plant. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.
 - b) Note 7 regarding the demand of Government of West Bengal (GoWB) for payment of Rs 19,447 lacs along with interest thereon in relation to excess realization of the said sum from the sale of land at Hindmotor, West Bengal, in earlier years. The Company is of the view that it has not committed any default of the said Government Order and based on the legal advice obtained by the Company, no provision is considered necessary by the management against the said claim of GoWB.
