b) Unrealised exchange Gain / (Loss) refers to the notional Gain / (Loss) arising out of the restatement of the unhedged portion of foreign currency monetary assets and liabilities (other than asset backed borrowings) up to 31st March, 2014. Further, in line with the Notification dated 29th December, 2011 issued by the Ministry of Corporate Affairs, the Company exercised the option given in the paragraph 46A of Accounting Standard - 11 "The Effects of Changes in foreign exchange rates". Accordingly, the Company has, with effect from April 1, 2011, amortised the foreign exchange loss incurred on long term foreign currency monetary items over the balance period of such long term foreign currency monetary items. The amortised portion of foreign exchange Gain / (Loss) (net) incurred on long term foreign currency monetary items for the Quarter ended 30th June, 2014 is ₹ (1,937) lakhs. For the quarter ended 30th June, 2013 it was ₹ (227) lakhs. The corresponding amount for the Quarter and Year ended 31st March, 2014 were ₹ (3,482) lakhs and ₹ (2,876) lakhs respectively. The unamortised portion carried forward as on 30th June, 2014 is ₹ 3,617 lakhs (₹ 4,690 lakhs for the Year ended 31st March, 2014).

c) The Company has equity investment of ₹ 164,500 lakhs in Jet Lite (India) Limited, a wholly owned subsidiary, and has advanced interest free loans amounting to ₹ 194,791 lakhs as on 30th June, 2014 (31st March, 2014 - ₹ 196,392 lakhs) to the said subsidiary. The subsidiary continues to incur losses and show negative net worth as on 30th June, 2014. The Management, based on the recommendations provided by a domain expert, had approved the broad parameters to re-organize the fleet and network between Jet Airways and its wholly owned subsidiary Jet Lite (India) Limited. Considering these parameters, a detailed business plan has since been drawn and an independent valuer, based on these business plans, had valued the equity interest in the subsidiary. The Management had performed a sensitivity analysis as on 31st March, 2014 on the values so arrived and accordingly, made a provision for diminution of ₹ 70,000 lakhs as at 31st March 2014 to fairly reflect the recoverable amount based on a prudent assessment. The Management has revisited the underlying assumptions about future events and the operating parameters considered in the aforementioned business plan and concluded that additional provision is not required to be recognised as at 30th June, 2014.

In view of the significant uncertainty as regards the underlying assumptions about future events and the operating parameters, the same will be periodically monitored and changes to reflect the reliable measurement will be made if the conditions so warrant.

7. The Company had acquired 100% of the shareholding of Sahara Airlines Limited (SAL) (now known as Jet Lite (India) Limited) in April, 2007. As per the Share Purchase Agreement (SPA) as amended by the subsequent Consent Award, the mutually agreed sale consideration was to be paid to the Selling Shareholders (SICCL) in four equal interest free instalments by 30th March, 2011. As a result of certain disputes that arose between the parties, both the parties had filed petitions in the Hon'ble Bombay High Court for breach of SPA as amended by the subsequent Consent Award. The Hon'ble Bombay High Court delivered its Judgment on 4th May, 2011 whereby SICCL's demand for restoration of the original price of ₹ 200,000 lakhs was denied and the Purchase Consideration was sealed at the revised amount of ₹ 145,000 lakhs. However, in its judgment, the Hon'ble Bombay High Court has awarded interest at 9% p.a. on the delayed payments made to SICCL largely on account of ongoing legal dispute. In view of this Order, a sum of ₹ 11,643 lakhs became payable as interest which has been duly discharged by the Company. As a result of this discharge, the undertaking given by the Company in April 2009 for not creating any encumbrance or alienation of its moveable or immoveable assets and properties in any manner other than in the normal course of the business, stands released.

Though the Company had complied with the order of the Hon'ble Bombay High Court, based on legal advice, it filed an appeal with the Division Bench of the Hon'ble Bombay High Court contesting the levy of interest. SICCL also filed an appeal with the Division Bench of the Hon'ble Bombay High Court for restoration of the purchase consideration to ₹ 200,000 lakhs and for interest to be awarded at 18% p.a. as against the 9% p.a. awarded by the Hon'ble Bombay High Court.

The Division Bench of the Hon'ble Bombay High Court heard the matter and vide its order dated 17th October, 2011 dismissed both the appeals as being not maintainable in view of jurisdictional issue. The Company has since filed Special Leave Petitions (SLP) before the Hon'ble Supreme Court challenging both the orders of 4th May, 2011 and 17th October, 2011. SICCL had earlier filed a SLP before the Hon'ble Supreme Court for increased compensation and interest.

Both the SLPs, filed by Jet Airways as well as SICCL, came up for hearing before the Supreme Court. The Supreme Court directed the parties to file the Counter and Rejoinder which has since been filed. The Supreme Court also recorded that the statement made by Jet Airways, as recorded in the order dated 6th May, 2011 passed by the Hon'ble Bombay High Court, would continue till further orders.

The Company has filed its Counter Affidavit in the SLPs filed by SICCL and the Hon'ble Supreme Court has granted further time to SICCL to file their Rejoinder.

8. With strategic investment by Etihad Airways PJSC and gradual implementation of the recommendations provided by a domain expert, the Management expects to achieve required operating cash inflows through cost synergies, revenue management, network synergy, leasing out aircraft, etc. These measures coupled with on going initiatives to raise funds are expected to result in sustainable cash flows and accordingly the statement of financial results continue to be prepared on a going concern basis, which contemplates realisation of assets and settlement of liabilities in the normal course of business.

9. The Company has transferred its 'Jet Privilege Frequent Flyer Programme' (JPFFP) undertaking to Jet Privilege Private Limited (JPPL) on 21st April, 2014 as a going concern on a slump sale basis for a consideration of ₹ 119,378 lakhs. In accordance with the terms and conditions of the Slump Sale Agreement and pending implementation of certain commercial aspects of other associated agreements, surplus on the transfer has not been recognised during the quarter under review.

10. Previous period's / year's figures have been regrouped / reclassified wherever necessary to correspond with the current period's classification / disclosure.

INDEPENDENT AUDITORS' REVIEW REPORT

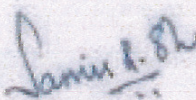

To,

The Board of Directors of Jet Airways (India) Limited,

1. We have reviewed the accompanying statement of "Unaudited Standalone Financial Results for the quarter ended 30th June, 2014 (the Statement) of Jet Airways (India) Limited (the Company) except for the disclosures regarding 'Public Shareholding', 'Promoter and Promoter Group Shareholding' and 'Number of Investor Complaints' which have been traced from disclosures made by the management and have not been audited by us. The Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, has not been prepared in accordance with applicable Accounting Standards issued under the Companies (Accounting Standard) Rules, 2006 which continue to apply as per Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies generally accepted in India, and has not disclosed the information required to be disclosed in terms of clause 4) of the Listing Agreement with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. Attention is invited to:
 - (a) Note no. 6(c) of the Statement regarding investment in and loan to a wholly owned major subsidiary of the Company aggregating to Rs. 289,291 lakh (net of provision of Rs. 70,000 lakh for 'other than temporary' diminution in value of the investment) as at 30th June 2014 and the basis for not recognising additional provision. The subsidiary continues to incur losses and the accumulated losses have fully eroded the net-worth of the subsidiary. The assessment of carrying amount of the aforesaid investment and loans is critically dependent upon the achievement of the expected operating performance by the subsidiary after re-organization of the fleet as mentioned in the note.
 - (b) Note no. 8 of the Statement regarding preparation of the Statement on a going concern basis for the reasons stated therein. The appropriateness of assumption of going concern is dependent upon realisation of the synergies from alliance with the Strategic Partner and/or the Company's ability to raise requisite finance/generate cash flows in future to meet its obligations, including financial support to its subsidiary.

Our report is not qualified in respect of the above matters.
