This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Management is confident that the company is in a position to pay all its liabilities / obligations out of its assets, if realized in ordinary course of business, accordingly the company continues to prepare its accounts on a going concern basis.
- Based on our review conducted as above and read with Para 3 above, nothing further has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the Accounting Standards specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement with the stock exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 5. Further, we also report that we have traced the number of shares as well as percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of share pledged / encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreement with the Stock Exchanges and the particulars relating to investor complaints disclosed in Part II Select Information for the quarter ended 31st December, 2014, of the statement, from the details furnished by the Registrars.
