

Financial Results for Q1 (April-June 2014) of F.Y.2014-15

Press Note

Kalindee Rail Nirman (Engineers) Limited, a 'ADVENTZ' Group Company, has shown a turnover of 47.95 Cr with EBITDA of INR 3.43 Cr for the 1st Qr. April-June 2014 against the Turnover of INR 41.38 Cr with EBITDA of INR (-) 8.11 Cr of Q1 -2013-14.

The Budget announced early July 2014 has brought in a lot of positives to the Rail Sector according it high priority for accelerated growth. The clear Roadmap laid to make Indian Railways the largest freight carrier of the world augurs well for industries operating in the Rail Sector. The new policy initiatives of the Government for raising resources by attracting private investment through PPP model and FDI in select sectors will generate a host of new opportunities. With the focus on completion of on-going projects as well as taking up new projects for coal connectivity, port connectivity, Dedicated Freight Corridor and Golden Quadrilateral Rail Network, it is expected to generate a bright outlook for the future of the Company.

The Company's strategic move for merger with Texmaco Rail will further enable it to offer Total Rail Solutions in Rail segment for larger projects.
