## **About Kridhan Infra Limited**

Kridhan Infra Limited is an ISO 9001:2008 certified infrastructure solutions company. Established in 2006 with headquarters in Mumbai, Kridhan Infra is one of the pioneers in introducing the concept of ready to use steel for the construction industry in the country.

More than a decade of industry experience, customer centric focus, product expertise and quest for delivering quality has enabled in to attain a respectable name in the infrastructure industry across South East Asia. The company's businesses are supported by a wide marketing and distribution network.

Eyeing the changing market dynamics and a thrust on international businesses resulted in Kridhan Infra Limited expanding its wings to Singapore, Myanmar, Malaysia and other South East Asian countries.

To enhance its global presence, Kridhan Infra acquired KH Foges, Singapore – which currently is the second largest foundation engineering company in Singapore. The new structure and the companies under the aegis of Kridhan Infra Limited cater to multiple businesses that serve the different needs of the infrastructure industry.
