1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **NCC LIMITED** ("the Company") and Consolidated Unaudited Financial Results of the Company, its subsidiaries and jointly controlled entities (the Company, its subsidiaries and jointly controlled entities constitute "the Group") and its share of the profit/(loss) of its associates for the Quarter and Nine Months ended 31st December, 2013 ("the Statement"), being submitted by the Company pursuant to Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures in Part II - Select Information referred to in paragraph 7 below. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. The Statement includes the results of the following entities:

4. We did not review the interim financial statements of six subsidiaries and three jointly controlled entities included in the consolidated financial results, whose interim financial statements reflect total revenues of ₹ 29,952.65 lakhs and ₹ 70,583.93 lakhs for the Quarter and Nine Months ended 31st December, 2013 respectively, and total profit after tax (net) of ₹ 2,418.55 lakhs and ₹ 2,821.20 lakhs for the Quarter and Nine Months ended 31st December, 2013 respectively, as considered in the consolidated financial results. The consolidated financial results also includes the Group's share of loss after tax of ₹ 0.25 lakhs and ₹ 0.75 lakhs for the Quarter and Nine Months ended 31st December, 2013, respectively, as considered in the consolidated financial results, in respect of an associate, whose interim financial statements have not been reviewed by us. These interim financial statements have been reviewed by other auditors whose reports have been furnished to us by the Management and our report on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and an associate, is based solely on the reports of the other auditors.
5. Based on our review conducted as stated above and based on the consideration of the reports of the branch auditors for Oman and Nepal branches, based on the consideration of the reports of the other auditors referred to in paragraph 4 above, and based on the consideration of the unreviewed financial statements of subsidiaries, a joint controlled entity, a partnership firm and associates referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the Accounting Standards notified under the Companies Act, 1956 (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs) and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. The consolidated financial results includes the interim financial statements of three subsidiaries, a jointly controlled entity and a partnership firm which have not been reviewed by their auditors, whose interim financial statements reflect total revenue of ₹ 12.98 lakhs and ₹ 47.60 lakhs for the Quarter and Nine Months ended 31st December, 2013, respectively, and total loss after tax (net) of ₹ 24.94 lakhs and ₹ 72.37 lakhs for the Quarter and Nine months ended 31st December, 2013, respectively, as considered in the consolidated financial results. The consolidated financial results also includes the Group's share of loss after tax of ₹ 70.02 lakhs and ₹ 180.44 lakhs for the Quarter and Nine Months ended 31st December, 2013, respectively, as considered in the consolidated financial results, in respect of five associates, based on their interim financial statements which have not been reviewed by their auditors. These interim financial statements have been certified by the Management of the respective entities and our report on the Statement, in so far as it relates to the amounts included in respect of these entities, is based solely on such certified interim financial statements. Any adjustment to these interim financial statements could have consequential effects on the attached Statement. However, the size of these entities in the context of the Group is not material. Our report is not qualified in respect of this matter.

7. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements and the particulars relating to investor complaints disclosed in Part II - Select Information for the Quarter and Nine Months ended 31st December, 2013 of the Statement, from the details furnished by the Registrars.
