3 Despite several constraints faced by the Company including non release of sanctioned fresh working capital facilities by lenders under approved CDR package and delayed sale of non core assets, the Company achieved growth in net sales of 9.79% during the first six months. Considering the brand equity enjoyed by the Company, non core assets identified for sale and several steps taken by the Company, the management is hopeful of a turnaround in future. The management therefore believes, it is appropriate to prepare the financial statement on a going concern basis.

4 The Company's net worth has been fully eroded.

5 In accordance with the requirement of Part C of Schedule II to Companies Act 2013, the carrying value of depreciable assets has been adjusted based on useful life resulting in adjustment of Rs. 509.72 Lacs against the opening reserves. The depreciation charge for the current quarter and for six months ended is higher by Rs. 626.71 Lacs and Rs. 1,124.15 lacs respectively, due to adoption of new rates of depreciation.

6 The figures of the second quarter is the balancing figures between audited figures in respect of the first six months and the published figures upto first quarter of the current financial year.

7 The previous quarter/ year figures are regrouped/ restated/ reclassified/ rearranged, wherever necessary, to make them comparable.
