9. **Rationale and benefits:**

- 9.1 The Transferor Company is wholly owned subsidiary of the Transferee Company engaged in similar business activities i.e. Computer Hardware, IT and IT enabled services.
- 9.2 The amalgamation of the Transferor Company with the Transferee Company will result in simplification of corporate structure leading to elimination of duplication in administrative cost and eliminating the overlapping business or businesses which are no longer pursued by the Transferor Company.
- 9.3 The proposed consolidation will, inter-alia, result in the following benefits:
- Better administration of the businesses; and
 - Concentrated effort and focus by the senior management to grow the business by eliminating duplicative communication and burdensome co-ordination efforts across multiple entities and countries

Further, the Transferee Company had initiated a financial restructuring with respect to its unproductive activities. There continues to remain certain stressed assets in respect of the said activities and accordingly the financials of the Transferee Company require restructuring. For achieving the restructuring as aforesaid, in addition to taking over the business assets and liabilities of the Transferor Company, it is also proposed to write off some of the assets which are either unserviceable or not required for the rest of the business of the Transferor Company or may not be realizable as explained in this Scheme.

10. The salient features of the Scheme are as follows:

- 10.1 The Appointed Date of the Scheme will be 1st day of April, 2014.
- 10.2 With effect from the Appointed Date and upon the Scheme becoming effective, the entire business of the Transferor Company as a going concern including all its assets like investments and other movable assets of whatsoever nature and all liabilities shall under the provisions of Sections 391 to 394 of the Companies Act, 1956 and other applicable provisions of the Companies Act, 1956 and the Companies Act, 2013 and pursuant to the orders of the Bombay High Court sanctioning this Scheme and without any further act or deed be transferred and/or deemed to be transferred to and vested in the Company so as to become the properties and liabilities of the Company, as provided under Clause 4 of the Scheme.
- 10.3 There are no legal proceedings pending against the Transferor Company as provided under Clause 6 of the Scheme.
- 10.4 All contracts, deeds, bonds, agreements, arrangements and other instruments of whatsoever nature to which the Transferor Company is a party or to the benefit of which the Transferor Company may be eligible, and which are subsisting or having effect immediately before the Effective Date, shall continue in full force and effect against or in favour of the Transferee Company as the case may be, and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary thereto, as provided in Clause 7 of the Scheme.
- 10.5 The Transferor Company shall conduct its business and activities for and on account of and in trust for the Transferee Company with effect from April 1, 2014 till the Effective Date of the Scheme, in terms of Clause 5 of the Scheme.
- 10.6 Pursuant to the Scheme coming into effect, all the investments in equity share capital of the Transferor Company held by the Transferee Company (either held directly and/or nominee(s)) shall stand cancelled from the effective date.
- 10.7 The Transferor Company is directly wholly owned by the Transferee Company and therefore, there would be no issue of shares by the Transferee Company in this regard. Therefore, the pre arrangement and post arrangement shareholding of the Transferee Company shall remain unchanged.
- 10.8 As the Transferor Company is managed by its Directors only, there will not be any involvement requiring transfer of the staff, workmen or employees, in terms of Clause 10 of the Scheme.
- 10.9 Upon the Scheme coming into effect and with effect from April 1, 2014, on amalgamation of PIL Mauritius with the Transferee Company, the difference, if any, between the value of assets and liabilities of the Transferor Company taken over, after cancellation of shares held in PIL Mauritius and after adjusting for certain assets of the Transferee Company as may be decided by the Management, be adjusted against the Securities Premium Account, Capital Reserve Account, General Reserve Account and surplus available in Profit & Loss Account (including profits for the year of the Company), in the same sequence, as detailed in Clause 11 of the Scheme.
- 10.10 The application and reduction of Securities Premium Account, as above shall be effected as an integral part of the Scheme without having to follow the process under Section 52 of the Companies Act, 2013 and Sections 100, 102 and 103 of the Companies Act, 1956 separately and the order of the High Court sanctioning the Scheme shall be deemed to be also the order under Section 102 of the Companies Act, 1956 confirming the reduction. The reduction would not involve either diminution of liability in respect of unpaid share capital or payment of paid up share capital and provisions of Section 101 of the Companies Act, 1956 will not be applicable.

The proposed utilization/ adjustment of Securities Premium Account is only a book entry and has no financial implications whatsoever. Such reduction and adjustment would not in any way adversely affect the ordinary operations of the Company or the ability of the Company to honour its commitments or to pay its debts in the ordinary course of business. Since the reduction would not involve either diminution of liability in respect of unpaid share capital or payment to any shareholders of any paid up share capital and, therefore, the provisions of Section 101 of the Companies Act, 1956 will not be applicable and consequently, only the passing of a separate special resolution for approving the reduction of securities premium account of the Company in the meeting of the Equity Shareholders of the Company is required. Accordingly, it is proposed that a separate special resolution shall be passed by the Equity Shareholders of the Company, approving the reduction of securities premium account of the Company by way of postal ballot and/or e-voting. The said special resolution shall be subject to the sanction of the Hon'ble High Court of Judicature or any other statutory authorities at Bombay.
- 10.11 Upon the Scheme coming into effect, the Transferor Company shall be dissolved without being wound up subject to and in accordance with the Applicable Laws of Relevant Jurisdictions, as detailed in clause 15 of the Scheme.
- 10.12 All charges and expenses incurred in carrying out and implementing the provisions of this Scheme and incidentals thereto shall be borne by the Transferee Company, as detailed in clause 17 of the Scheme.
- 10.13 The Scheme is conditional upon and subject to the approvals and/or sanctions laid down in Clause 14 of the Scheme.

The members are requested to read the entire text of the Scheme to get better acquainted with the provisions thereof. As stated above, the aforesaid are only salient features of the Scheme.

We have been engaged to give fairness opinion on scheme of amalgamation and arrangement of PCS International Limited, Mauritius (PIL Mauritius) being wholly owned subsidiary of PCS Technology Limited (PTL) with its holding company i.e. PCS Technology Limited.

Transaction:

We understand that Scheme provides for the transfer to and vesting in the Transferee Company of PCS International Limited, Mauritius with PCS Technology Limited, in accordance with the Applicable Laws in the Relevant Jurisdictions.

Parties to Scheme:

Company	Registered Office	Listing Status	Transferor/Transferee
PCS International Limited, Mauritius (PIL Mauritius)	C/ o. Multiconsult Limited, Rogers House, 5 President John Kennedy Street, Port Louis, Mauritius	Unlisted	Transferor
PCS Technology Limited (PTL)	Office No. 1, Gat No. 478, Alandi Markaal Road, Taluka Khed, Alandi District, Pune - 412106, Maharashtra	Listed on Bombay Stock Exchange & Pune Stock Exchange	Transferee

The PILMauritius is engaged in similar business activities i.e. Computer Hardware, IT and IT enabled services.

As communicated by the company, the scheme of amalgamation of the PIL Mauritius with the PTL will result in simplification of corporate structure leading to elimination of duplication in administrative cost and lesser regulatory / procedural compliance for the Transferee Company.

Further, the PTL had initiated a financial restructuring with respect to its unproductive activities. There continues to remain certain stressed assets in respect of the said activities and accordingly the financials of the PTL require restructuring. For achieving the restructuring as aforesaid, it is proposed to write-off the said assets through an adjustment against Securities Premium Account and other available reserves.

No Issue of shares - The PTL is holding the entire issued, subscribed and paid-up share capital of the PIL Mauritius. Hence, no consideration shall be payable by the PTL upon the amalgamation of the PIL Mauritius. The equity shares held by the PTL in the PIL Mauritius shall stand cancelled without any further act, application or deed.

In our opinion, Scheme of amalgamation and arrangement are fair considering circumstances

7. **Rationale and benefits:**

- 7.1 The Transferor Company is wholly owned subsidiary of the Transferee Company engaged in similar business activities i.e. Computer Hardware, IT and IT enabled services.
- 7.2 The amalgamation of the Transferor Company with the Transferee Company will result in simplification of corporate structure leading to elimination of duplication in administrative cost and eliminating the overlapping business or businesses which are no longer pursued by the Transferor Company.
- 7.3 The proposed consolidation will, inter-alia, result in the following benefits:
- Better administration of the businesses; and
 - Concentrated effort and focus by the senior management to grow the business by eliminating duplicative communication and burdensome co-ordination efforts across multiple entities and countries

Further, the Transferee Company had initiated a financial restructuring with respect to its unproductive activities. There continues to remain certain stressed assets in respect of the said activities and accordingly the financials of the Transferee Company require restructuring. For achieving the restructuring as aforesaid, in addition to taking over the business assets and liabilities of the Transferor Company, it is also proposed to write off some of the assets which are either unserviceable or not required for the rest of the business of the Transferor Company or may not be realizable as explained in this Scheme.

8. **The salient features of the Scheme are as follows:**

- 8.1 The Appointed Date of the Scheme will be 1st day of April, 2014.
- 8.2 With effect from the Appointed Date and upon the Scheme becoming effective, the entire business of the Transferor Company as a going concern including all its assets like investments and other movable assets of whatsoever nature shall under the provisions of Sections 391 to 394 of the Companies Act, 1956 and other applicable provisions of the Companies Act, 1956 and the Companies Act, 2013 and pursuant to the orders of the Bombay High Court sanctioning this Scheme and without any further act or deed be transferred and/or deemed to be transferred to and vested in the Company so as to become the properties of the Company, as provided under Clause 4 of the Scheme.
- 8.3 There are no legal proceedings pending against the Transferor Company as provided under Clause 6 of the Scheme.
- 8.4 All contracts, deeds, bonds, agreements, arrangements and other instruments of whatsoever nature to which the Transferor Company is a party or to the benefit of which the Transferor Company may be eligible, and which are subsisting or having effect immediately before the Effective Date, shall continue in full force and effect against or in favour of the Transferee Company as the case may be, and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary thereto, as provided in Clause 7 of the Scheme.
- 8.5 The Transferor Company shall conduct its business and activities for and on account of and in trust for the Transferee Company with effect from April 1, 2014 till the Effective Date of the Scheme, in terms of Clause 5 of the Scheme.
- 8.6 Pursuant to the Scheme coming into effect, all the investments in equity share capital of the Transferor Company held by the Transferee Company (either held directly and/or nominee(s)) shall stand cancelled from the effective date.
- 8.7 The Transferor Company is directly wholly owned by the Transferee Company and therefore, there would be no issue of shares by the Transferee Company in this regard. Therefore, the pre arrangement and post arrangement shareholding of the Transferee Company shall remain unchanged.
- 8.8 As the Transferor Company is managed by its Directors only, there will not be any involvement requiring transfer of the staff, workmen or employees, in terms of Clause 10 of the Scheme.
- 8.9 Upon the Scheme coming into effect and with effect from April 1, 2014, on amalgamation of PIL Mauritius with the Transferee Company, the difference, if any, between the value of assets and liabilities of the Transferor Company taken over, after cancellation of shares held in PIL Mauritius and after adjusting for certain assets of the Transferee Company as may be decided by the Management, be adjusted against the Securities Premium Account, Capital Reserve Account, General Reserve Account and surplus available in Profit & Loss Account (including profits for the year), in the same sequence, as detailed in Clause 11 of the Scheme.
- 8.10 The application and reduction of Securities Premium Account, as above shall be effected as an integral part of the Scheme without having to follow the process under Section 52 of the Companies Act, 2013 and Sections 100, 102 and 103 of the Companies Act, 1956 separately and the order of the High Court sanctioning the Scheme shall be deemed to be also the order under Section 102 of the Companies Act, 1956 confirming the reduction. The reduction would not involve either diminution of liability in respect of unpaid share capital or payment of paid up share capital and provisions of Section 101 of the Companies Act, 1956 will not be applicable.
- The proposed utilization/ adjustment of Securities Premium Account is only a book entry and has no financial implications whatsoever. Such reduction and adjustment would not in any way adversely affect the ordinary operations of the Company or the ability of the Company to honour its commitments or to pay its debts in the ordinary course of business. Since the reduction would not involve either diminution of liability in respect of unpaid share capital or payment of paid up share capital and, therefore, the provisions of Section 101 of the Companies Act, 1956 will not be applicable and consequently, only the passing of a separate special resolution for approving the reduction of securities premium account of the Company in the meeting of the Equity Shareholders of the Company is required. Accordingly, it is proposed that a separate special resolution shall be passed by the Equity Shareholders of the Company, approving the reduction of securities premium account of the Company by way of postal ballot and/or e-voting. The said special resolution shall be subject to the sanction of the Hon'ble High Court of Judicature or any other statutory authorities at Bombay.
- 8.11 Upon the Scheme coming into effect, the Transferor Company shall be dissolved without being wound up subject to and in accordance with the Applicable Laws of Relevant Jurisdictions, as detailed in clause 15 of the Scheme.
- 8.12 All charges and expenses incurred in carrying out and implementing the provisions of this Scheme and incidentals thereto shall be borne by the Transferee Company, as detailed in clause 17 of the Scheme.
- 8.13 The Scheme is conditional upon and subject to the approvals and/or sanctions laid down in Clause 14 of the Scheme.

The creditors are requested to read the entire text of the Scheme to get better acquainted with the provisions thereof. As stated above, the aforesaid are only salient features thereof.

9. The rights and interests of the creditors of the Company will not be prejudicially affected by the Scheme. The promoter group share holding is given below:

7. **Rationale and benefits:**

7.1 The Transferor Company is wholly owned subsidiary of the Transferee Company engaged in similar business activities i.e. Computer Hardware, IT and IT enabled services.

7.2 The amalgamation of the Transferor Company with the Transferee Company will result in simplification of corporate structure leading to elimination of duplication in administrative cost and eliminating the overlapping business or businesses which are no longer pursued by the Transferor Company.

7.3 The proposed consolidation will, inter-alia, result in the following benefits:

- i. Better administration of the businesses; and
- ii. Concentrated effort and focus by the senior management to grow the business by eliminating duplicative communication and burdensome co-ordination efforts across multiple entities and countries

Further, the Transferee Company had initiated a financial restructuring with respect to its unproductive activities. There continues to remain certain stressed assets in respect of the said activities and accordingly the financials of the Transferee Company require restructuring. For achieving the restructuring as aforesaid, in addition to taking over the business assets and liabilities of the Transferor Company, it is also proposed to write off some of the assets which are either unserviceable or not required for the rest of the business of the Transferor Company or may not be realizable as explained in this Scheme.

8. **The salient features of the Scheme are as follows:**

- 8.1 The Appointed Date of the Scheme will be 1st day of April, 2014.
- 8.2 With effect from the Appointed Date and upon the Scheme becoming effective, the entire business of the Transferor Company as a going concern including all its assets like investments and other movable assets of whatsoever nature shall under the provisions of Sections 391 to 394 of the Companies Act, 1956 and other applicable provisions of the Companies Act, 1956 and the Companies Act, 2013 and pursuant to the orders of the Bombay High Court sanctioning this Scheme and without any further act or deed be transferred and/or deemed to be transferred to and vested in the Company so as to become the properties of the Company, as provided under Clause 4 of the Scheme.
- 8.3 There are no legal proceedings pending against the Transferor Company as provided under Clause 6 of the Scheme.
- 8.4 All contracts, deeds, bonds, agreements, arrangements and other instruments of whatsoever nature to which the Transferor Company is a party or to the benefit of which the Transferor Company may be eligible, and which are subsisting or having effect immediately before the Effective Date, shall continue in full force and effect against or in favour of the Transferee Company as the case may be, and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary thereto, as provided in Clause 7 of the Scheme.
- 8.5 The Transferor Company shall conduct its business and activities for and on account of and in trust for the Transferee Company with effect from April 1, 2014 till the Effective Date of the Scheme, in terms of Clause 5 of the Scheme.
- 8.6 Pursuant to the Scheme coming into effect, all the investments in equity share capital of the Transferor Company held by the Transferee Company (either held directly and/or nominee(s)) shall stand cancelled from the effective date.
- 8.7 The Transferor Company is directly wholly owned by the Transferee Company and therefore, there would be no issue of shares by the Transferee Company in this regard. Therefore, the pre arrangement and post arrangement shareholding of the Transferee Company shall remain unchanged.
- 8.8 As the Transferor Company is managed by its Directors only, there will not be any involvement requiring transfer of the staff, workmen or employees, in terms of Clause 10 of the Scheme.
- 8.9 Upon the Scheme coming into effect and with effect from April 1, 2014, on amalgamation of PIL Mauritius with the Transferee Company, the difference, if any, between the value of assets and liabilities of the Transferor Company taken over, after cancellation of shares held in PIL Mauritius and after adjusting for certain assets of the Transferee Company as may be decided by the Management, be adjusted against the Securities Premium Account, Capital Reserve Account, General Reserve Account and surplus available in Profit & Loss Account (including profits for the year), in the same sequence, as detailed in Clause 11 of the Scheme.
- 8.10 The application and reduction of Securities Premium Account, as above shall be effected as an integral part of the Scheme without having to follow the process under Section 52 of the Companies Act, 2013 and Sections 100, 102 and 103 of the Companies Act, 1956 separately and the order of the High Court sanctioning the Scheme shall be deemed to be also the order under Section 102 of the Companies Act, 1956 confirming the reduction. The reduction would not involve either diminution of liability in respect of unpaid share capital or payment of paid up share capital and provisions of Section 101 of the Companies Act, 1956 will not be applicable.
- The proposed utilization/ adjustment of Securities Premium Account is only a book entry and has no financial implications whatsoever. Such reduction and adjustment would not in any way adversely affect the ordinary operations of the Company or the ability of the Company to honour its commitments or to pay its debts in the ordinary course of business. Since the reduction would not involve either diminution of liability in respect of unpaid share capital or payment of paid up share capital and, therefore, the provisions of Section 101 of the Companies Act, 1956 will not be applicable and consequently, only the passing of a separate special resolution for approving the reduction of securities premium account of the Company in the meeting of the Equity Shareholders of the Company is required. Accordingly, it is proposed that a separate special resolution shall be passed by the Equity Shareholders of the Company, approving the reduction of securities premium account of the Company by way of postal ballot and/or e-voting. The said special resolution shall be subject to the sanction of the Hon'ble High Court of Judicature or any other statutory authorities at Bombay.
- 8.11 Upon the Scheme coming into effect, the Transferor Company shall be dissolved without being wound up subject to and in accordance with the Applicable Laws of Relevant Jurisdictions, as detailed in clause 15 of the Scheme.
- 8.12 All charges and expenses incurred in carrying out and implementing the provisions of this Scheme and incidentals thereto shall be borne by the Transferee Company, as detailed in clause 17 of the Scheme.
- 8.13 The Scheme is conditional upon and subject to the approvals and/or sanctions laid down in Clause 14 of the Scheme.

The creditors are requested to read the entire text of the Scheme to get better acquainted with the provisions thereof. As stated above, the aforesaid are only salient features thereof.

9. The rights and interests of the creditors of the Company will not be prejudicially affected by the Scheme. The promoter group share holding is given below:
