OTHER INFORMATION

Reason of loss or inadequate profits	Slowdown in progress of projects due to external factors; increased cost of debt due to bank lending rates being in northward direction during the Financial year 2013-14; higher provisioning on some of the stalled projects towards cost to completion had an adverse impact on revenues and profitability.
Steps taken or proposed to be taken for improvement	<p>The Company has launched a major internal efficiency improvement programme to create a lean organisation that can take on competition. The Company has much greater internal improvement focus and the early signs are positive.</p> <p>The Company is working simultaneously towards garnering liquidity and reducing debt levels by offloading non-core investments as well as aggressively pursuing settlement of stuck receivables / claims thereby improving the working capital cycle.</p> <p>The Company also is aggressively pursuing opportunities to upscale the Order Book position where the premium is placed more on the credentials rather than just the price. The general outlook for the construction industry is positive in the wake of the stable government and its push towards development projects.</p> <p>These improvements will enable the Company to emerge from the economic downturn as a much better organisation ready to deal with opportunities of tomorrow.</p>
Expected increase in productivity and profits in measurable terms.	Each vertical has specific opportunities and the Company is working on optimal methods of prospecting for these and turning them into long term revenues for the Company. One expects early signs of improvements in the infrastructure sector in India as the new Government takes office. However, the turnaround will take a little time. The Company remains cautiously optimistic about its prospects in FY2014-15.

The disclosures in respect of remuneration package and other details of all the directors are given at appropriate places in the Corporate Governance Report annexed to the Directors Report.
