

Ramco Systems receives the 2014 Frost & Sullivan India Customer Value Leadership Award for Enterprise Software

Mumbai, India – October 27, 2014 – Ramco Systems, an enterprise software company focusing on the enterprise cloud platform, products and services, has won the **2014 Frost & Sullivan India Customer Value Leadership Award for Enterprise Applications Software**. The award was presented at the 6th Annual Growth, Innovation and Leadership Executive Congress (GIL 2014: India) held at the Taj Lands End Hotel in Mumbai, recently.

Frost & Sullivan's Best Practices Awards are presented to a range of regional and global market players for their superior leadership, technological innovation, customer service, and strategic product development achievements. Frost & Sullivan's intent is to help drive innovation, excellence, and a positive change in the global economy by recognizing best-in-class products and companies.

On winning the award, **Mr. Virender Aggarwal, CEO, Ramco Systems**, said, "It's a moment of pride for us to receive the 2014 Frost & Sullivan Award for Customer Value Leadership in Enterprise Applications. We've been revolutionizing the enterprise application space with our Cloud and mobile-based offerings and are now moving forward to the next phase of innovation – Wearable Devices. The award is a great boost to our efforts to build 'customer-centric' products. We are excited to see widespread acceptance of our offerings with customers and analysts giving it a thumbs up."

Congratulating Ramco Systems on the award, **Mr. Nishchal Khorana, Associate Director, ICT Practice, Frost & Sullivan** said, "Ramco has been successful in creating customer value by offering solutions to address global business needs. Focus on technology advancements in line with global Mega Trends has been instrumental in supporting Ramco's positioning in the enterprise applications segment. Adopting cloud based platforms and enterprise mobility as a lever to innovation has helped Ramco accelerate growth and develop a competitive value proposition."

About Frost & Sullivan

Frost & Sullivan, the Growth Partnership Company, works in collaboration with clients to leverage visionary innovation that addresses the global challenges and related growth opportunities that will make or break today's market participants. Our "Growth Partnership" supports clients by addressing these opportunities and incorporating two key elements driving visionary innovation: The Integrated Value Proposition and The Partnership Infrastructure.

- **The Integrated Value Proposition** provides support to our clients throughout all phases of their journey to visionary innovation including research, analysis, strategy, vision, innovation and implementation.

- **The Partnership Infrastructure** is entirely unique as it constructs the foundation upon which visionary innovation becomes possible. This includes our 360 degree research, comprehensive industry coverage, career best practices as well as our global footprint of more than 40 offices.

For more than 50 years, we have been developing growth strategies for the global 1000, emerging businesses, the public sector and the investment community. Is your organization prepared for the next profound wave of industry convergence, disruptive technologies, increasing competitive intensity, Mega Trends, breakthrough best practices, changing customer dynamics and emerging economies?
