December 8, 2014

## STATEMENT

On December 5, 2014, a jury sitting in the United States District Court for the District of Massachusetts issued a verdict in the esomeprazole antitrust litigation in favor of the defendants AstraZeneca and Ranbaxy.

This multidistrict litigation was commenced in 2012. As pertains to Ranbaxy, the lawsuits alleged that Ranbaxy's April 2008 patent settlement agreement with AstraZeneca concerning esomeprazole magnesium violated U.S. antitrust laws.

Ranbaxy is pleased with this verdict, and is committed to serving patients, prescribers and the US healthcare system.
