Notes:

1. a) The Group has opted for amortising the foreign exchange fluctuation gain / (loss) on the long term foreign currency monetary items over the balance life of such items. Accordingly, the Group has carried forward unamortised portion of net gain of ₹ 233.13 crore to "Foreign Currency Monetary Items Translation Difference Account" as on June 30, 2014.  
b) Pursuant to the option exercised under the Scheme of Amalgamation of Reliance Infraprojects Limited with the Parent Company sanctioned by the Hon'ble High Court of Judicature at Bombay, net foreign exchange gain of ₹ 0.06 crore (net of foreign exchange loss ₹ 51.28 crore attributable to finance cost) for the quarter ended June 30, 2014 has been credited to Consolidated Statement of Profit and Loss and an equivalent amount has been transferred to General Reserve. Had the Scheme not prescribed this treatment, the profit before tax for the quarter ended June 30, 2014 would have been higher by ₹ 0.06 crore. The treatment prescribed under the Scheme overrides the relevant provision of Accounting Standard 5 (AS-5) 'Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies'.
2. Delhi Airport Metro Express Private Limited (DAMEPL), a SPV of the Parent Company, terminated the Concession Agreement with Delhi Metro Rail Corporation (DMRC) for the Delhi Airport Metro Line, on account of Material Breach and Event of Default under the provisions of the Concession Agreement by DMRC. The operations were taken over by DMRC with effect from July 1, 2013. As per the terms of the Concession Agreement, DMRC is now liable to pay DAMEPL a Termination Payment, which is estimated at ₹ 2,823 crore, as the termination has arisen owing to DMRC's Event of Default. The matter has been referred to arbitration and the process for the same has already begun. Pending final outcome of the arbitration, the Parent Company continues to fund the statutory and other obligations of DAMEPL post take over by DMRC and accordingly has funded ₹ 59.35 crore in the current quarter ended June 30, 2014. As legally advised, the claims for the Termination Payment are considered fully enforceable and the Parent Company is confident of recovering its entire investment of ₹1,509.56 crore in DAMEPL as at June 30, 2014.
3. Unrealised gains amounting to ₹ 76.27 crore during the quarter ended June 30, 2014, pertaining to Engineering Procurement and Construction contracts entered into with associate companies, have not been eliminated as prescribed by a Scheme of Amalgamation between Reliance Bhavnagar Power Private Limited and Reliance Jamnagar Power Private Limited and Reliance Infrastructure Engineers Private Limited with the Parent Company sanctioned by the Hon'ble High Court of Judicature at Bombay in February 2013. The Parent Company considers that the prescribed accounting treatment leads to a more accurate reflection of the results of the working of the Parent Company. Had the Scheme not prescribed the above treatment the Profit after tax and carrying cost of associate would have been lower by ₹ 76.27 crore respectively. This treatment overrides the relevant provisions of Accounting Standard 23 (AS -23) 'Accounting for Investments in Associates in Consolidated Financial Statements'.
4. During the quarter, the useful life of the fixed assets other than in respect of Electricity business has been revised in accordance with Part-C of Schedule II to the Companies Act, 2013. Accordingly depreciation expense for the quarter ended June 30, 2014 is higher by ₹ 3.88 crore. Similarly, in case of assets whose life has been completed as on March 31, 2014, the carrying value (net of residual value) of those assets amounting to ₹ 4.75 crore has been debited to General Reserve.
5. Towards the end of the quarter ended September 30, 2013, the Parent Company had diluted its holding in SU Toll Road Private Limited, TD Toll Road Private Limited and TK Toll Road Private Limited each from 100% to 49% and in the two joint ventures, BSES Rajdhani Power Limited and BSES Yamuna Power Limited from 49% to 28.82%. In view of above dilution, the figures of the current quarter are not comparable with the figures for the corresponding quarter.

**Limited Review Report**  
**To The Board of Directors of Reliance Infrastructure Limited**

---

1. We have reviewed the accompanying un-audited financial results for quarter ended June 30, 2014 ("Statement") of Reliance Infrastructure Limited ("the Company"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management but have not been audited by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the applicable Accounting Standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 [Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956, which as per General Circular 15/2013 dated September 13, 2013 issued by Ministry of Corporate Affairs continues to apply under Section 133 of the Companies Act, 2013] and other recognised accounting practices and policies except to the extent as modified by the Court Order dated March 30, 2011 and the option exercised by the Company in accordance with the Court Order as stated in paragraph 5 (b) below, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. Without qualifying our opinion, we draw attention to:
  - a. Note 2 of the Statement regarding termination of Concession Agreement by Delhi Airport Metro Express Private Limited (DAMEPL), a SPV of the Company with Delhi Metro Rail Corporation (DMRC) for reasons stated therein. As the matter is sub-judice, the ultimate recovery of the investment of the Company of ₹ 1,509.55 Crore in DAMEPL is dependent upon the outcome of the arbitration proceedings.

- b. Note 1(b) of the Statement regarding the Scheme of Amalgamation ('the Scheme') between Reliance Infraprojects Limited (wholly owned subsidiary of the Company) and the Company sanctioned by the Hon'ble High Court of Judicature at Bombay vide its order dated March 30, 2011, wherein the Company, as determined by the Board of Directors, is permitted to adjust foreign exchange losses / gains debited/credited to Statement of Profit and Loss by a corresponding withdrawal from or credit to General Reserve which override the relevant provisions of Accounting Standard 5 (AS 5) "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies". The net foreign exchange gain for the quarter ended June 30, 2014 of ₹ 0.06 Crore (net off of foreign exchange loss of ₹ 51.28 Crore attributable to finance cost) has been credited to Statement of Profit and Loss and an equivalent amount has been transferred to General Reserve. Had the Scheme not prescribed the above treatment, profit before tax for the quarter would have been higher by ₹ 0.06 Crore and General Reserve would have been lower by an equivalent amount.
