For Immediate Release

SPML Infra Received EPC World Awards 2013

New Delhi, Dec 31, 2013

SPML Infra Ltd has received the coveted **EPC World Awards 2013 for Urban Infrastructure Development** during the glittering 4th EPC World Award 2013 ceremony held in New Delhi on December 14, 2013. The awards were given in 6 Categories to Infrastructure Development and Real Estate Companies across India for their outstanding works. The winners were chosen by a 9 member jury comprising of top government official and champions from the infrastructure industry.

The award was presented by Dr. Harshvardhan (MLA-Delhi), Mr. K. Natwar Singh (Former External Affairs Minister) and Mr. Chandan Mitra (Member of Parliament). SPML was awarded the top award in the first category of EPC.

The Award is the recognition of SPML's approach to make enduring impact in nation building through developing sustainable urban infrastructure. Since its inception in 1981, SPML Infra Ltd has come a long way to stand tall as one the largest infrastructure company in India. Over the years, SPML has created significant value for the nation and its progress has touched the lives of millions of people across the country by improving the quality of life, be it provision of drinking water, improved sewerage facilities, better municipal waste management, building roads and highways and lighting up homes. SPML has completed 600 projects, 4000 kms of water pipelines across cities and towns and championed the concept of 'Design Build Operate' mode of projects in the water and wastewater sectors. Many engineering and construction projects executed by SPML have set new benchmarks in terms of scale, sophistication and speed. The innovative approach to project execution and management has resulted in great saving of millions of rupees annually for state and central govt. agencies.

Mr. Rishabh Sethi, Executive Director, SPML Infra, commented, *"We are very happy that our effort towards the nation building through sustainable infrastructure development is being recognized with the prestigious awards. These awards are testimony of our 32 years in business with a conviction to reform India's urban infrastructure and the commitment to provide sustainable solutions for better human life."*

Other companies awarded at the function included Tata Projects, Godrej Properties, L&T etc. in different categories.
