Sir,

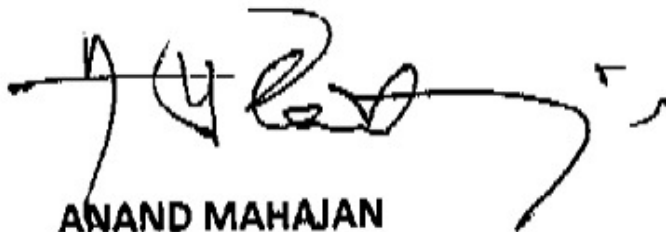

Sub: Trading in Saint-Gobain Sekurit India Limited Equity Shares (Scrip Code 515043)

We would like to bring to your notice that the volume of shares of Saint-Gobain Sekurit India Ltd. (CIN No. L26101MH1973PLC018367) traded during last few trading days has been unusually high. Recent weeks have witnessed volatility and a sharp increase in the share price – during the last one month the price has increased by 75%. Today, the share price closed at a PE of 125. In the past, we had brought to your notice that market participants seem to confuse Saint-Gobain Sekurit India Ltd with Saint-Gobain Glass India Ltd, which is an unlisted company. Even on this occasion, it is possible that the sharp increase in the share price may have been caused by an advertisement (and related press reports) issued by the Saint-Gobain Glass India Ltd on the inauguration of its new float glass plant in Bhiwadi, Rajasthan on 27<sup>th</sup> October 2014.

We wish to clarify that Saint-Gobain Sekurit India Ltd is a separate legal entity and has nothing to do with this new float plant.

Thanking you.

Yours faithfully,  
For **SAINT-GOBAIN SEKURIT INDIA LIMITED**
