5. During the quarter ended 31st December 2014, the company has provided for interest income of Rs. 305 Lakhs over and above the interest income of Rs. 1740 Lakhs provided in the previous quarter ended September 30, 2014 on the amount due from A & N administration as per contractual terms for which confirmation from the said party is awaited.
6. The auditors in their limited review report for the quarter ended 31st December ,2014 have brought out that;

- a. The discount rate taken as Weighted Average Cost of Capital in absence of asset specific market rate has not been adjusted for currency risk and country risk required under para 51 of Accounting Standard 28 "Impairment of Assets" issued by ICAI on the management's mere presumption of non-existence of any such risks. In the absence of any workings for such risks, the compliance to said para of AS - 28 is indeterminable and the impact on results on availability of the required workings is presently unascertainable.
- b. We draw attention to the recording of the transactions directly in the operational software by the agents, out of which substantial transactions remain unverified by the company for the period, in respect of Liner Segment.

The management's views on the above observations are as below:

- a. While doing the impairment exercise as on 30.09.2014 i.e balance sheet date , company has taken weighted average cost of capital as the discounting factor as per clause 50 of AS 28. The Company has done analysis of risks such as country risk, currency risk, price risk, cashflow risk and asset specific risks. It is found that there is no necessity to make any adjustment to the discounting rate as per clause 51 of AS 28.
 - b. As per the system adopted by the company, port related expenses are booked by the agents through specially designed software. The same are subsequently verified by an external firm & approved by the company. This process takes time due to involvement of multiple departments in the approval process. From our past experience it has been observed that relatively minor amount of expenses are disallowed by the company subsequently. Hence, the impact on Statement of Profit & Loss Account is not expected to be material.
7. The figures of the previous year/ period have been regrouped or rearranged wherever necessary / practicable to conform to current year / period's transactions.

LIMITED REVIEW REPORT

To,
The Board of Directors,
THE SHIPPING CORPORATION OF INDIA LIMITED

1. We have reviewed the accompanying Statement of Unaudited Financial Results of **THE SHIPPING CORPORATION OF INDIA LIMITED (the company)** for the quarter and nine months ended 31st December, 2014 ('the statement') prepared by the Company pursuant to the clause 41 of the Listing Agreements with the stock exchanges in India, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Financial Statements are free of material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. On the basis of review of the unaudited financial results, we report that:
 - a. *The discount rate taken as weighted Average Cost of Capital in absence of asset specific market rate has not been adjusted for currency risk and country risk required under para 51 of Accounting Standard 28 'Impairment of Assets' issued by ICAI on the management's mere presumption of non-existence of any such risks. In the absence of any workings for such risks, the compliance to said Para of AS-28 is indeterminable and the impact on results on availability of the required workings is presently unascertainable.;*
 - b. *We draw attention to the recording of the transactions directly in the operational software by the agents, out of which substantial transactions remain unverified by the company for the period, in respect of liner segment.*

4. Based on our review conducted as above, except for the possible effects of the matters described in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Financial Results, has not been prepared in accordance with Accounting Standards issued under the Companies (Accounting Standards) Rules, 2006 which continue to apply as per Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement with the Stock Exchanges including the manner in which it is to be disclosed or that it contains any material misstatement.
