CORE TALKING POINTS OF THE QUARTER

- Reached the 150 fitness centre milestone in Mumbai (Vile Parle); enrolment of 537 members at a premium pricing, sprawling 4,300 sq. ft, this all-inclusive health club provides a full cardio section, a dedicated strength and weight training zone and a massage centre and offers such workout forms like aerobics, spinning, kick-boxing, TRX and kettle bell
- About TRX: The TRX Suspension Trainer is the original, best-in-class workout system that leverages gravity and bodyweight to perform hundreds of exercises
- About Kettle Bell : It combines the benefits of dumbbell training with a high intensity cardio workout to help you build muscle, increase power and get lean

Contd....

- Invested in training of trainers; collaborated with market-leading Premier Training International for quality training and development of personal trainers and fitness professionals
- Premier is a leading health and fitness training provider. It has built a first-class reputation in delivering quality vocational education since 1992
- This education pathway scheme comprises kinesiology, anatomy, physiology and customer service. Premier will deliver leadership and management training to over 40 senior managers as well as organise a five-day Advanced Fitness Skills course for 180 fitness trainers
- Courses focused on UK Level 3 accreditation, REPs membership and overseas internship

Contd....

- As compared to Talwalkars other offerings Zumba® has been slow on pickup as in India Zumba® is provided by freelancers since past 5-6 yrs. However the Company is confident that with its corporatized approach it will have increased enrolments.
- Launched the Summer Scheme, a precursor to the August Scheme, and received an encouraging response
- Share of value-added services has grown from 18-20% in 2011-12 to 22-23% in 2013-14

Contd....

- Launched a unique, value added 'Transform' program – a combination of NuForm (high-end German technology delivering complete fitness in just 20 minutes/week) and Reduce (unique diet-based easy weight-loss solution)
- Transform perfectly blends together weight loss and muscle toning to deliver overall fitness. It addresses holistic fitness needs.
- The national marketing campaign for Transform was strategically initiated from 1st April, 2014 onwards to increase the margins in the weak quarter.
- The response to Transform program was overwhelming, resulting an upshot in the Revenues, EBITDA and PAT margins in this quarter .

GOING AHEAD

- Post general elections, there is a positive surge in sentiments & mood of people. This can be gauged in membership enhancement in the month of May and June 2014
- The Company plans to open new fitness centres which will be unveiled shortly, consistent with the expansion plans which will yield a higher ROCE
- Market profit-accretive Transform program to enhance business across more fitness centres. Transform has scope for substantial growth
- The initial response in the first week for the August Scheme has been encouraging. This performance at the same-store level for the current year has been higher as compared with the last year
