EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

The following explanatory statement relating to the accompanying notice set out all material facts:

Item No. 1 :

Your Company continues to have aggressive plans for expansion. In order to fund these plans, it proposes to tap the capital market to raise additional long-term resources to meet the likely investment requirements for following projects among others;

- a. There are several regions in India where your Company does not have adequate number of gymnasium ("Gyms"). In such regions, the Company proposes to not only setting up new gyms but also acquiring the existing running Gyms and Gym chains to achieve significant market presence quickly.
- b. Your Company has made progress with its plan to set up a leisure club by acquiring land for the first club in Pune and commencing work on the project. Your Company sees the leisure club business as a great opportunity in many of the markets in India due to a large gap between demand and supply and therefore, has plans to set up several such clubs in different cities over the next few years. Your Company expects these to be of the highest international standards and intends to tie up or work with leading international Companies to ensure the same.
- c. Your Company has introduced "Transform", a weight loss solution that is a combination of Nuform (an EMS-Electro Muscular Stimulus based fitness routine) and Reduce (a food based diet programme) in many of its Gyms. Based on the response Transform has received, we would like to roll this out nationally in the coming year through the Gym network. This would need investment in consulting rooms, separate rooms for Nuform routines as also in advertising and promotion to take the brand national.
- d. There is currently an explosion in goods and services being delivered online and there is growing acceptance of the same. The Company is in the process of rolling out "Reduce" as a service marketed and delivered entirely online. In this manner the "Talwalkars" brand can be experienced even in areas where your Company presently does not have a Gym.

All the above plans would need finance for import of capital goods, investment in land and building, infrastructure projects, upgradation and modification of existing gyms, working capital, general corporate purposes and for such other purposes as may be permitted by applicable regulations and hence, your Company would like your approval to issue Securities for aggregate amount not more than Rs. 150 Crores (Rupees One Hundred and Fifty Crores Only) at such time and in one or more tranches as the Board of Directors of the Company may determine.

This special resolution enables the Board of Directors and/or the Committee to undertake a qualified institutions placement with qualified institutional buyers as per the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2009, amended from time to time (“**SEBI ICDR Regulations**”) and section 42 of the Companies Act, 2013 and rules thereunder, amended from time to time. The Board of Directors/Committee may adopt this mechanism, as prescribed under chapter VIII of the SEBI ICDR Regulations in order to facilitate the proposed plan of expansion and meet capital expenditure needs of the existing/future projects of the Company and to meet any exigencies etc. without the need for fresh approval from the shareholders.

The pricing of the Securities to be issued to qualified institutional buyers pursuant to the chapter VIII of SEBI ICDR Regulations shall be determined by the Board of Directors and/or Committee subject to such a price not being less than the price calculated in accordance with the SEBI ICDR Regulations. **However, the Board may, in its absolute discretion in accordance with applicable law, also offer a discount of not more than 5 % or such percentage as permitted under applicable law on the floor price calculated in accordance with the pricing formula provided under SEBI ICDR Regulations.**

The special Resolution also enables the Board of Directors and/or Committee issue Securities in tranches, at such times, at such prices and to such person(s) including institutions, incorporated bodies and/or individuals or otherwise as the Board of Directors and/or the Committee deems fit. The 'Relevant Date' for this purpose will be the date when the Board of Directors and/or Committee thereof decide to open the QIP for subscription.

The detailed terms and conditions for the Issue will be determined by the Board of Directors and/or Committee in consultation with the lead managers and such other authorities as may be required considering the market conditions and in accordance with the applicable provisions of law.
