

**INDEPENDENT AUDITORS' REPORT  
TO THE BOARD OF DIRECTORS OF  
TATA SPONGE IRON LIMITED**

1. We have audited the accompanying Statement of Standalone Financial Results of **TATA SPONGE IRON LIMITED** ("the Company") for the Quarter and Six Months ended September 30, 2014 ("the Statement"), being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures in Part II - Select Information referred to in paragraph 4 below. This Statement has been prepared on the basis of the related interim financial statements, which is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to express an opinion on the Statement, based on our audit of the related interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS-25) on Interim Financial Reporting specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India.

## 4 Emphasis of Matter

We draw attention to Note No. 34 of the condensed financial statements regarding judgement of Hon'ble Supreme Court dated September 25, 2014 in which 214 coal blocks has been cancelled which includes Company's Radhikapur (East) Coal Block. For the reasons stated in the said Note and based on a legal opinion obtained by the Company, the Management is of the view that the amount of Rs. 16,792.35 lac paid to Orissa Industrial Infrastructure Development Corporation (OIIDCO) towards land acquisition and costs incidental thereto in connection with the said coal block is recoverable and, hence, no provision is considered necessary for the same amount at this juncture. Our opinion is not qualified in respect of the above.

- 5 Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged / encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding, in terms of Clause 35 of the Listing Agreements with the Stock Exchanges and the particulars relating to the investor complaints disclosed in Part II - Select Information for the Quarter and Six Months Ended September 30, 2014 of the Statement, from the details furnished by the Management.

**Notes :**

- (1) The above results have been noted in the Audit committee and approved at the meeting of the Board of Directors held on October 15, 2014.
  - (2) The Company has identified sale of power as separate business segment other than sale of sponge iron considering the requirements under Accounting Standard - 17 on "Segment Reporting" and accordingly the disclosures have been made. Further, as the Company's products are sold primarily in India there is no reportable secondary segment i.e. Geographical Segment.
  - (3) a. Radhikapur (East) Coal Block was allotted to Tata Sponge as leader along with two other Companies on February 07, 2006. The Hon'ble Supreme Court of India vide its order dated September 25, 2014 has cancelled the allocation of 214 coal blocks including the above. However, the Company has not yet received any communication in this regard.
  - b. The Ministry of Coal ("MoC") also had earlier issued notices to the Company dated November 23, 2012 and February 17, 2014 stating encashment of bank guarantee ("BG") of Rs. 3,250 lacs and de-allocation of the coal block on the ground that there has been delay in coal mining. The Company had filed an appeal before the Hon'ble High Court of Delhi, and obtained a stay order. Pursuant to above mentioned Hon'ble Supreme Court's decision on cancellation of allocation of the coal block, the demand for encashment of bank guarantee of Rs. 3,250 lacs by MoC stands non-enforceable. However pending return of the BG by MoC, the amount continues to be disclosed as a contingent liability
  - c. The Company has invested in capital assets, made advances for acquisition of land and incurred various expenditure on obtaining clearances / permissions, building temporary structures etc. for the development of the said coal block having a carrying value of Rs. 18,101.88 lacs as on September 30, 2014. The Company is in the process of assessing the recoverability of the amounts invested and based on the preliminary assessment has noted the following:
    - (i). Fees and expenditure incurred for obtaining various clearances / permissions etc. amounting to Rs. 627.60 lacs has been fully provided as the same is considered to be doubtful of recovery.
    - (ii). The Company has paid Rs. 16792.35 lacs to Orissa Industrial Infrastructure Development Corporation (OIIDCO), Government of Odisha undertaking, as an advance towards land acquisition and costs incidental thereto in connection with the said coal block. While the land has not yet been registered in favour of the Company, the Company has obtained a legal opinion based on which the management is of the opinion that the entire amount is recoverable from OIIDCO. Accordingly, no provision is considered necessary for the same amount at this juncture. The Company shall initiate necessary action on receipt of official communication from the Government of India.
    - (iii). The fixed assets comprising of freehold land, building and other movable assets with a carrying amount of Rs. 681.93 lacs are considered recoverable, based on the alternative uses of the same.
- (4) During this quarter the Company had difficulty in sourcing iron ore due to the closure by the Govt. of Odisha of several iron ore mines operating under deemed extension, pursuant to the Hon'ble Supreme Court's Order dated 16th May, 2014. As a result, the procurement cost of iron ore from limited available sources has substantially increased over the previous quarter. This has primarily resulted in lower profit during the current quarter.
  - (5) During the period, the Company has revised useful life of the fixed assets as specified in Part C of Schedule II of the Companies Act, 2013, except for vehicles and furniture and fixtures for which an useful life of 5 years have been considered. Accordingly, depreciation of Rs. 122.14 lacs (net of deferred tax of Rs. 41.51 lacs) on account of assets whose useful life is already exhausted as on April 1, 2014 has been adjusted with opening retained earnings.
  - (6) Figures for the previous period/year have been regrouped and reclassified to conform to the classification of current period, where necessary.

For and on behalf of the Board of Directors
