EXPLANATORY STATEMENT**Explanatory Statement for Resolutions mentioned under Item Nos. 1 to 3 pursuant to Section 102 of the Companies Act, 2013 (hereinafter referred to as the "Act")****Background to the explanatory statements under Item Nos. 1 to 3:**

The Company's strategy and plans include making investments to significantly expand its operations in India, especially through investments in fixed assets for the green-field project in Kalinganagar in Odisha (the "Odisha Project"). The first phase of the Odisha Project of 3 million tonnes per annum would cost around ₹ 29,000 crores on plant and machinery (up to the hot strip mill stage), capital expenditure for mining of iron ore and other infrastructure in and around the facilities. Of this amount, the Company has invested around ₹16,000 Crores as of 31st March 2014, and plans to invest the remaining amounts over the next 2-3 years. The stage wise commissioning of the first phase is expected to be initiated towards the end of FY 2014-15. Subsequent to the commissioning and ramp up of the first phase of operations in Kalinganagar, the Company will also progress towards the implementation of second phase of the project, which will take the overall production capacity to 6 million tonnes per annum of crude steel in Kalinganagar and overall production capacity of the Company to 16 million tonnes per annum in India. The Company has obtained commitment from various Indian banks/ lenders for ₹ 23,000 crores for both phases of the Odisha project of which it has drawn loans of ₹ 2,000 crores as of 31st March 2014.

The Company continues to invest in the maintenance, expansion and up-gradation of its steel and mining assets for improving asset quality which would enhance shareholder value in the future.

As part of the Company's capital structure strategy, it has utilised its internal accruals towards green-field and brown-field expansion projects and for repayment of its debt obligations. The funding plan also envisages refinancing of debt maturing over the next 2-3 years and rebalancing of the debt profile of the Group.

The Company endeavours to maintain a capital structure which would be consistent with its cash flows while optimizing the cost of capital which drives its selection of financing instruments. The Company is therefore, seeking approval from the shareholders of the Company for an enhancement in its borrowing ability including the ability to privately place debt securities (convertible into equity or otherwise) in the international and domestic capital markets. The pricing for any instrument which may be issued by the Company on the basis of these resolutions will be done by the Board or a Committee thereof in accordance with applicable laws including SEBI (ICDR) Regulations and foreign exchange regulations as may be applicable.

Item No. 1:

Under the erstwhile Section 293(1)(d) of the Companies Act, 1956, the Board of Directors of a Company could, with the consent of the shareholders obtained by an Ordinary Resolution, borrow monies, apart from temporary loans obtained from the Company's Bankers in the ordinary course of business, in excess of the aggregate of paid-up capital and free reserves of the Company, that is to say, reserves not set apart for any specific purpose.

Under the provisions of Section 180(1)(c) of the Act, which were made effective from September 12, 2013, the above powers can be exercised by the Board only with the consent of the shareholders obtained by a Special Resolution. Further, as per the Circular dated March 25, 2014 issued by the Ministry of Corporate Affairs, the Ordinary Resolution earlier passed under Section 293 (1) (d) of the Companies Act, 1956 will remain valid for a period of one year from the date of notification of Section 180 of the Act, i.e. up to September 11, 2014. As such, it is necessary to obtain fresh approval of the shareholders by means of a Special Resolution, to enable the Board of Directors of the Company to borrow moneys, apart from temporary loans obtained from the Company's Bankers in the ordinary course of business, in excess of the paid up capital and free reserves of the Company.

The shareholders of the Company, through postal ballot resolution dated 30th March 2012 had accorded their consent to the Board of Directors for borrowing up to ₹ 50,000 crores or the aggregate of the paid up capital and free reserves of the Company, that is to say, reserves not set apart for any specific purpose at the relevant time, whichever is higher.

As on 31st March, 2014, the net-worth of the Company was approximately ₹ 61,148 crores. It is proposed to increase the borrowing limits to enable the Directors to borrow monies, provided that the total amount so borrowed by the Board shall not at any time exceed ₹ 70,000 crores or the aggregate of the paid up capital and free reserves of the Company, whichever is higher. The Company shall ensure that the debt equity ratio of the Company, at all times, will be within prudent limits. It is necessary to obtain fresh approval of the shareholders by means of a Special Resolution.

The Board recommends the Resolution at Item No.1 of the Notice for approval of the shareholders by a Special Resolution.

None of the Directors and key managerial personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No.1 of the Notice.

Item No. 2:

Under the erstwhile Section 293(1)(a) of the Companies Act, 1956, the Board of Directors of a Company could, with the consent of the shareholders obtained by an Ordinary Resolution, create charge/ mortgage/ hypothecation on the Company's assets, both present and future, in favour of the lenders/ trustees for the holders of debentures/ bonds, to secure the repayment of monies borrowed by the Company (including temporary loans obtained from the Company's Bankers in the ordinary course of business).

The shareholders of the Company, through postal ballot resolution dated 30th March 2012 had accorded their consent to the Board of Directors for creation of charges/mortgages/hypothecations for an amount not exceeding ₹ 50,000 crores or the aggregate of the paid up capital and free reserves of the Company, that is to say, reserves not set apart for any specific purpose at the relevant time, whichever is higher.

Under the provisions of Section 180 (1) (a) of the Act, which were made effective from September 12, 2013, the above powers can be exercised by the Board only with the consent of the shareholders obtained by a Special Resolution. Further, as per the Circular dated March 25, 2014 issued by the Ministry of Corporate Affairs, the Ordinary Resolution earlier passed

under Section 293 (1) (a) of the Companies Act, 1956 will remain valid for a period of one year from the date of notification of Section 180 of the Act, i.e. up to September 11, 2014. As such, it is necessary to obtain fresh approval of the shareholders by means of a Special Resolution, to enable the Board of Directors of the Company to create charge/ mortgage/ hypothecation on the Company's assets, both present and future, in favour of the lenders/ trustees for the holders of debentures/ bonds, to secure the repayment of monies borrowed by the Company (including temporary loans obtained from the Company's Bankers in the ordinary course of business). Standard market terms of long term debt finance include conditions whereby lenders/ trustees in certain circumstances (such as non-payment or other events of default) can take over the management of the Company, to recover their dues. It is therefore, necessary to obtain members' approval by way of a Special Resolution under Section 180 (1) (a) of the Act for creation of charges/mortgages/hypothecations for an amount not exceeding ₹ 70,000 crores or the aggregate of the paid up capital and free reserves of the Company, whichever is higher.

The proposed borrowings of the Company may, if necessary, be secured by way of charge/ mortgage/ hypothecation on the Company's assets in favour of the lenders/ holders of securities / trustees for the holders of the said securities as mentioned in the Resolution at Item No. 2. As the documents to be executed between the lenders/security holders/ trustees for the holders of the said securities and the Company may contain provisions to take over substantial assets of the Company in certain events, it is necessary to pass a special resolution under Section 180(1)(a) of the Act, for creation of charges/mortgages/hypothecations for an amount not exceeding ₹ 70,000 crores or the aggregate of the paid up capital and free reserves of the Company, whichever is higher.

The Board recommends the Resolution at Item No. 2 of the Notice for approval of the shareholders by a Special Resolution.

None of the Directors and key managerial personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No. 2 of the Notice.

Item No. 3:

In terms of Sections 41, 42, 62(1)(c) read with Section 71 of the Act, a company making an allotment of its securities to persons other than

the existing shareholders of the Company or to employees under an employees' stock option scheme is required to obtain the approval of the members by way of a Special Resolution for each offer or invitation. However, in accordance with relevant rules under the Act, the Company is permitted to make all offers for issue of non-convertible debentures in a particular year on the basis of a single special resolution which has been approved by the shareholders in that year.

It is proposed to obtain approval of the members under Sections 41, 42, 62, 71 and other applicable provisions, if any, of the Act, read together with the Rules made thereunder (to the extent applicable), to enable the Company to make a private placement of debt securities (convertible into equity or otherwise) in the international and/or domestic capital markets, in one or more tranches within such limit as set out in the Resolution at Item No. 3 of the Notice. The pricing for any instrument which may be issued by the Company on the basis of this Resolution will be done by the Board or a committee thereof in accordance with applicable law including SEBI (ICDR) Regulations and foreign exchange regulations as may be applicable. The issues will be structured in a manner such that the additional Ordinary Share capital that may be issued under Resolution at Item No. 3 would not be more than 5% of the paid-up Ordinary Share capital of the Company.

The Board recommends the resolution at Item No.3 of the Notice for approval of the shareholders by a Special Resolution.

None of the Directors and key managerial personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No.3 of the Notice.
