## Tech Mahindra Opens a Delivery Center in Belgium

*It commits to future growth in Belgium & Netherlands region with this center*

**Belgium – April 8, 2014** – Tech Mahindra Ltd., a specialist provider of connected solutions to the connected world announced the opening of a new Belgian delivery center in Antwerp today. Following the recent opening of a delivery center in Düsseldorf, Germany, this new Belgian facility is the next important milestone in the growth journey as the company derives 31% of its revenues from European markets.

Tech Mahindra already has a development center in Brussels and with the opening of this second Belgian delivery center, the company aims at further growth in the region.

Speaking at the inauguration ceremony **Vishaal Gupta, Head (Telecom) - Europe, Tech Mahindra** said, *"The Antwerp delivery center will further accelerate a hub and spoke delivery model for the Benelux region. This new location reflects our deep commitment to the customers in the region and will also help us deliver real-time near-shore services."*

Speaking at the inauguration, **H.E. Manjeev Singh Puri, Ambassador of India to Belgium, Luxembourg and European Union**, said *"It is great to see business houses like Mahindra creating local presence in all markets globally. Tech Mahindra are committed to their vision of actively driving positive change in those regions through various initiatives, including creating job opportunities and partnering with academia. Tech Mahindra are clearly an established, credible and respected IT and Business service provider in Benelux and we are delighted to watch them expand their presence here at this significant growth rate."*

The new facility has the capacity of ~120 work stations and is located in the Mensura House at Italiëlei 2 in Antwerp.
