Tech Mahindra Announces Global Alliance with Box

*Becomes the First Indian Company to offer secure content collaboration
platform for Digital Enterprise Transformation*

San Francisco – March 24, 2014 – Tech Mahindra Ltd. a specialist provider of connected solutions to the connected world, today announced a global alliance with Box as a premier member of the “Box Services Partner Program”. This alliance enables enterprise customers to leverage Box’s cloud based content collaboration solution as part of Tech Mahindra’s Digital Enterprise Platform (DEP) for handling document centric processes.

There is an emerging new normal in enterprise IT as companies embrace the business benefits of Mobile, Cloud, Social & Bigdata technologies. Customers have embarked on their digitalization journey by implementing new solutions which combine superior user experience combined with enterprise grade security addressing the need for secure access anytime, anywhere.

*“We are on the verge of global transformation. We need a major platform like DEP to build tomorrow’s digital enterprise. The alliance with Box is a step towards Tech Mahindra’s vision of building Future Proof and Future Ready Digital Enterprise Solutions,” said **Ashim Guha, Vice President Consulting & Enterprise Solutions, Tech Mahindra.** “We are using Box internally to optimize document centric processes and will leverage our extensive expertise in Consulting, Data migration, Integration & Solution development to power the future Digital Enterprise for our customers”.*

*“The cloud is transforming enterprise IT and fundamentally changing the way businesses operate,” said **Niall Wall, senior vice president, Business and Corporate Development of Box.** “By partnering with leaders like Tech Mahindra, we can accelerate the pace of innovation for our customers transitioning to the cloud and introduce the Box platform to new global markets.”*

This alliance of Tech Mahindra and Box will help enterprise customers integrate their on-premise legacy systems like ERP, PLM, CRM with Box to enable seamless and content sharing across business processes.

END
