

**The Board of Directors,
Unitech Limited**

Limited Review Report

1. We have reviewed the accompanying statement of unaudited Consolidated financial results for the quarter and half year ended 30th September, 2014 ("the statement") of Unitech Limited ("the company"), its subsidiaries, associates and joint ventures (collectively referred to as the "Group") except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding', which have been traced from disclosures made by the management and have not been reviewed by us. This statement is the responsibility of the company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "review of interim financial information performed by the independent auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express an audit opinion.

- 3.(a) Advances amounting to ₹ 82030.46 Lacs (previous year ended on 31st March 2014 ₹ 77188.90 Lacs) is outstanding in respect of advances for purchase of land, projects pending commencement, joint ventures and collaborators which, as represented by the management, have been given in the normal course of business to land owning companies, collaborators, projects and for purchase of land. However, considering that some of these advances are outstanding / unadjusted for long periods of time, we are unable to ascertain whether all these advances are fully adjustable / recoverable. Accordingly, we are unable to ascertain the impact, if any, on the statement that may arise in case any of these remaining advances are subsequently determined to be doubtful of recovery.
- (b) According to information available and explanations obtained, it has been observed that the management is in the process of reconciliation with respect to the purchases of certain materials and stores for certain real estate construction projects. Based on the limited review procedures performed, enquiries made and explanations given by management, in the absence of relevant and necessary reconciliation, we are unable to quantify at this stage the impact, if any on financial results for the period ending 30th September 2014.
4. Based on our review conducted as above, subject to our observation in the preceding paragraph, nothing further has come to our notice that causes us to believe that the accompanying statement, prepared in accordance with the applicable Accounting Standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement

5. Without qualifying our opinion, we draw attention to the following:

- (a) No adjustment has been considered necessary for recoverability of balance of short term loans aggregating to 46284.98 ₹ Lacs (previous year ended on 31st March 2014 ₹ 42,966.47 Lacs and investments in share capital / projects aggregating to ₹ 2,772.41 Lacs (Previous year ended on 31st March 2014 ₹ 2,753.23 Lacs) as the matters are still sub-judice and the impact, if any, is unascertainable at this stage. Our review report is not qualified in respect of this matter;
- (b) In respect of unaudited consolidated financial results for the quarter and half year ended 30th September, 2014, we did not review the financial results of some of the consolidated entities, included in the statement, whose financial results reflect total revenues of ₹ 55511.85 Lacs and net loss of ₹ 1943.58 Lacs for the quarter and half year ended 30th September, 2014. These financial results have been reviewed by other auditors whose reports have been furnished to us and our report in respect thereof is based solely on the report of such other auditors.
- (c) The statement includes the unreviewed financial results of some subsidiaries and joint ventures which reflect total revenues of ₹3047.76Lacs and net loss of ₹ 95.18Lacs for the quarter and half year ended 30th September, 2014. The financial results of such entities have been certified by management.

Limited Review Report

1. We have reviewed the accompanying statement of unaudited financial results for the quarter and half year ended 30th September, 2014 ("the statement") of Unitech Limited ("the company") except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding', which have been traced from disclosures made by the management and have not been reviewed by us. This statement is the responsibility of the company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "review of interim financial information performed by the independent auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express an audit opinion.

- 3.(a) Advances amounting to ₹ 74,107.75 Lacs (previous year ended on 31st March 2014 ₹ 77,188.90 Lacs) is outstanding in respect of advances for purchase of land, projects pending commencement, joint ventures and collaborators which, as represented by the management, have been given in the normal course of business to land owning companies, collaborators, projects and for purchase of land. However, considering that some of these advances are outstanding / unadjusted for long periods of time, we are unable to ascertain whether all these advances are fully adjustable / recoverable. Accordingly, we are unable to ascertain the impact, if any, on the statement that may arise in case any of these remaining advances are subsequently determined to be doubtful of recovery.
- (b) According to information available and explanations obtained, it has been observed that the management is in the process of reconciliation with respect to the purchases of certain materials and stores for certain real estate construction projects. Based on the limited review procedures performed, enquiries made and explanations given by management, in the absence of relevant and necessary reconciliation, we are unable to quantify at this stage the impact, if any on financial results for the period ending 30th September 2014.
4. Based on our review conducted as above, subject to our observation in the preceding paragraph, nothing further has come to our notice that causes us to believe that the accompanying statement, prepared in accordance with the applicable Accounting Standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to the following:
- (a) No adjustment has been considered necessary for recoverability of balance of short term loans aggregating to ₹ 46284.98 Lacs (previous year ended on 31st March 2014 ₹ 42,966.47 Lacs) and investments in share capital / projects aggregating to ₹ 2772.41 Lacs (Previous year ended on 31st March 2014 ₹

2,753.23 Lacs) as the matters are still sub-judice and the impact, if any, is unascertainable at this stage. Our review report is not qualified in respect of this matter;
